GENERIC ELECTIVE INFORMATION FOR ADMISSIONS – 2018

- **Generic Elective Course is unrelated or distinctive from the Core Subject with an intent to provide exposure to the student. This paper can be chosen from a pool of available courses.**
- **As per the CBCS format, all students of Honours Courses will study ONE Generic Elective (GE) Paper in each of the Semesters I, II, III, IV.**
- **In the online form to be filled at the time of admission, the students must submit three choices of GE papers (for each of the Semesters I-IV) and rank the choices in order of their preference.**
- **Students are advised to choose same GE subject in each of the FOUR semesters to gain maximum credit score.**
