* I disagree with the ordering/sequencing of the subjects for the additional books under OBC second tranche. As per my understanding and interpretation, there can not be 2 different sequence/chronological order of subjects in the same roster — or for the original 155 books (which have already been fixed as per categories in the roster i.e. as per existing rules) and another for the additional 39 books received under 2nd tranche of OBC reservation. Please look into the matter.

Yours Ray
