# PRINCIPAL'S MESSAGE

*July 19, 2023*

Dear Students,

Welcome to Lakshmibai College, where you will have a new beginning, by following the stimulating cycle of unlearning and learning, not only in terms of textbook knowledge, but also the essential life skills.

The Lakshmibai College campus pulsates with unbound energy which reflects in the infrastructure as well as the creative endeavour initiated by the institution. The HEI campuses are definitely the cradles of imaginative initiatives as these uphold the Promethean ideas in order to make the world around us a better place to live in.

As the head of the institution, I can assure of an exhilarating experience during these 4-5 years of stay in the college where you learn to connect with your inner self to navigate through the labyrinthine channels known as life, so that you comprehend it better and are able to carve a novel path with a specific set of skills to earn your livelihood.

We all know that education liberates the mind from the shackles of ignorance and leads us from mortality to immortality. Higher we set the scaffolding for an educational endeavour, higher the level of liberation is supposed to be achieved. The National Education Policy 2020 (NEP 2020), launched on 29 July 2020, focuses on five pillars: Affordability, Accessibility, Quality, Equity, and Accountability –it has recognized the needs of the citizens for knowledge in society and economy. The NEP 2020 further emphasises upon multidisciplinary, digital literacy, written communication, problem-solving, logical reasoning, and vocational exposure. Moreover, the courses and programmes in subjects, such as Indology, Indian languages, AYUSH systems of medicine, yoga, arts, music, history, culture, and modern India, internationally relevant curricula in the sciences, social sciences etc would help us ascend higher in order to link the local/Indian with the Global. Our institution aspires ceaselessly to make these ideals connect to the praxis.

True to our Indian spirit of disquisition, the time is right to constitute a collective peregrination to explore knowledge with a holistic and multidisciplinary approach embedded in our own concept of education. Let our learning continue without any inhibition and our mind be at peace with indigenous knowledge to grow stronger with ancient wisdom. May we grow deep roots and soar with our mighty wings together to enable us to travel through space, spirit and body in time-space continuum. A brave new world of higher education, ignited with a creative spark is waiting to unfold itself to the energy that you hold which has the power to move the mountains.

This is an expedition in itself which requires active participation and coordination between the faculty members and the students. Only then we can move upwards with a synergy resultant towards the holistic development of our selves.

आचार्यात् पादमादत्ते पादं शष्यः स्वमेधया ।

सब्रह्मचारिभ्यः पादं पादं कालक्रमेण च ॥

One fourth from the teacher, one fourth from own intelligence,

One fourth from classmates, and one fourth only with time.

With best wishes,

Professor Pratyush Vatsala

Principal, Lakshmibai College

Creativity is humanity at its best. It is one of the most mysterious and yet the most revelatory aspects of our existence. Theories abound about the creative process but none would deny the magic of the moment when something new is created and takes form. It enables us to cast in an aesthetic mould our thoughts and feelings. All of us have a Blake, Eliot, Tagore, Picasso or a Disney in us. As a unique space that provides the opportunity to explore the creative potential within all of us, we invite you to share your creative ventures on the CREATIVE BOARD. ## INITIATIVES

In the historic centenary year of the University of Delhi, Lakshmibai College registered its presence in an emphatic manner on the map of colleges. With the rolling out of the National Education Policy 2020 and its implementation by the University, the College wholeheartedly embraced its vision in both letter and spirit. It embarked upon a slew of initiatives to ease the process for the first batch of students entering the Under Graduate Curriculum Framework (UGCF). The pursuit of Jnan (Knowledge), Pragyaa (Wisdom) and Satya (Truth) are the highest human goals envisaged by the policy and these have found a resonance in all the activities and programmes held in the College, which provides a wide range of stimulating learning experiences in an environment conducive to optimal learning. Week long orientation programs were held to familiarize the first batch of students with the components and contents of the new structure and the overall mandate of the new national policy.

Prior to this, the College broke a long impasse to become among the first to hold interviews for the regularization of teaching positions, appointing as many as 79 new permanent teachers across 15 departments. A new task force has radically altered the faculty profile of the College, and the youthful vigour of the new entrants has fuelled fresh energy into its corporate life. Fifteen new centres have been instituted encompassing the salient features of the National Education Policy that aims at producing an engaged, productive and socially responsible citizen with a global outlook. In a bid to provide quality education, these centres seek to develop the capacities of students including, intellectual, aesthetic, social, physical, emotional, moral and psychological. The lofty ideals enshrined in our Constitution form the foundations of these centres representing a multidisciplinary and holistic approach to education. Besides, the centres plan to develop knowledge skills by synergizing their resources and efforts to yield the best learning outcomes and to augment an overall culture of research with emphasis on conceptual and critical thinking.

In response to the contemporary global challenges, Lakshmibai College continues to foster an environment of upskilling, startups, innovation and enterprise to make our society vibrant, knowledge driven, sustainable and equitable. Recently, the College's brand Parampara took its pride of place at the Global Millet Exhibition and Conference, IARI, PUSA, providing our students and faculty international exposure. The National Education Policy places teachers at the centre of its reforms and with the same impetus, the College has conducted several Faculty Induction and Development programs as well as workshops to ensure a high-quality pedagogy that enhances their performativity as effectively as possible.

Mooring itself firmly in the rich legacy of Indian Knowledge Systems, Lakshmibai College instils in its students a deep sense of pride in Indian culture and traditions by losing no occasion to celebrate it. Be it the three-day mega event “Viraasat,” which highlighted the unity in diversity of Indian arts, crafts, languages and customs, showcasing the cultural wealth of the nation, or the celebration of Lakshmibai Jayanti, a first in the long history of the College, and the festivities that marked Indian festivals like Diwali, Teej, Basant Panchami, the College took the *Azaadi ka Amritmahotsava* to another level. By commemorating significant national heroes like Subhash Chandra Bose and Vallabh Bhai Patel and celebrating for the first time, a seminal cultural document like the *Bhagvada Geeta*, the College redefined the meaning of campus life for its students. In an unprecedented event, the Goddess of Learning, *Ma Saraswati’s idol*, was installed in the premises of the College on Basant Panchami. On the same occasion, an ambience of spirituality was created by a massive gathering of students and faculty simultaneously performing 108 Hawan Kunds in groups.

Reiterating its commitment to community service, the College embarked upon a unique initiative this year -Purak Poshan- to provide hot, nutritious meals, cooked by our students to the children of the construction site labourers working on the premises. With its particular focus on historically marginalized, disadvantaged and underrepresented groups, the College has specially targeted children and women as the beneficiaries of its welfare schemes. Apart from donation drives, awareness raising sessions and adopting slum areas, the larger national message of the developmental imperative has been completely assimilated into the co-curricular activities planned by our faculty and students, be it *Atmanirbhar Bharat*, Local for Vocal or FIT INDIA. Tradition and technology walk hand in hand as the College continues to collaborate with national and international organizations that facilitate the process for skilling and training of students in computer education as well as other areas such as venture creation and incubation support.

Taking forward the green initiatives launched in the previous session, the eco-conscious efforts made by the faculty and students have rendered them into eco-warriors who understand the urgency to protect and preserve the environment. Even a day like the Valentine’s was given a new twist, by expanding the notion of love to encompass love for nature. The celebration of Indian village life in an event like the *Gokul Gramotsava* and the focus on cow-based industry products with the aim of preserving indigenous rural practices of a close-looped eco-system, has earned the College a Zero Waste Certificate. Apart from educating our students about dying species of birds and bio-diversity as part of the celebration of the World Sparrow Day, the College has also taken up the cause of reviving rivers. Our students have taken forward the campaigns like the Yamuna mission and the filtration of the now forgotten Sahibi river, thereby establishing biophilia as an important tenet of the College’s vision.

Among the other forms of diversity, multilingualism occupies a special place in the College's cultural life. In recognition of the power of language to shape a student's mind-world, the College has instituted a Centre for Promotion of Indian Languages, as well as undertaken the mammoth task of translating primary and secondary material from English to Hindi, to enable students to access reading material bilingually. At a crucial juncture, when India is poised to set the global agenda through its Presidency in G-20, the overriding theme being- "Vasudhaivakutumbakam" or "One Earth, One Family, One Future," the College prepares to send out its students charged with this philosophy. As I have said in a song composed by me on G-20, "Yeh vishwavijay ki chaah nahi/Humko to raah dikhani hai/Maanavta ki jai nischit kar/Yeh peedit dhara bachani hai." Thus, the College continues to set higher benchmarks for itself, with every wing contributing its might to power a vision of achieving greater heights of success.

## COMMON SEAT ALLOCATION SYSTEM 2023

On declaration of the allocation list/s, the candidate must check the lists carefully and log on to his/her CSAS-2023 dashboard for acceptance of the allocated seat, if offered.

It is the responsibility of the candidate to login to the dashboard and check if a seat is allocated in a given round of seat allocation, and if allocated s(he) must complete all admission formalities.

### ADVICE

*Candidates must check the schedule of activities for admission, which are available on the admission website of UoD (admission.uod.ac.in)*

## ACCEPTANCE OF THE PROVISIONALLY ALLOCATED SEAT

Once a seat has been allocated in a particular round, the candidate must '**Accept**' the Allocated Seat' before the last date/time specified for the given allocation round. The provision for acceptance of a particular Allocated Seat will be valid only for the round in which the seat was allocated to the candidate.

### ADVICE

*To participate in subsequent rounds, candidate **must accept** the seat allocated to him/her.*

In case a candidate is offered multiple seats in a particular round, she must "Accept" ONE allocated seat only. Inactivity/no-action will be taken as non-acceptance to the Allocated Seat. It will be treated as a decline to the provisionally Allocated Seat and the candidate will no longer be able to participate in subsequent rounds of CSAS-2023.

## ONLINE APPROVAL BY THE COLLEGE

Once the candidate "Accept" the provisionally Allocated Seat, the concerned College will check the eligibility and documents uploaded by the candidate. The College will verify the following within the stipulated timeline:

1. Minimum Eligibility of the Candidate.
2. Program-Specific Eligibility of the Candidate.
3. Subject Mapping: UoD will consider only those CUET subjects in which s(he) has passed Class XII.
4. Validity and authenticity of Documents/Certificates submitted by the Candidate.

### ADVICE

*Candidates must regularly check their dashboard and respond to queries (if any) raised by the College within the stipulated time.*

During the online approval process, if a college seeks more clarity/information from the candidate, it may raise a query to the Candidate (refer to Section 6.3).

After verification, the College will either 'Approve' or 'Reject' the provisionally Allocated Seat of the candidate. No application will be left unattended by the Colleges.

### In case of Approval:

Once the College accords the approval, the candidate will have to pay the 'Admission Fee'

**In case of Rejection:**

At the time of online verification, if an application gets rejected, the College will state the reason for rejection. For rejecting an application, the College will indicate any of the following reason/s:

1. Non-fulfillment of the Minimum Eligibility by the Candidate.
2. Not-fulfillment of Program-Specific Eligibility by the Candidate.
3. Non-fulfillment of the subject-mapping criteria.
4. Invalid documents/certificates submitted by the candidate.
5. Failure to respond to the query(ies) raised by the College within the stipulated time.

**RESPOND TO QUERIES (IF ANY) DURING COLLEGE APPROVALS**

During the online approval process, if a College raises a query(ies) then the candidate must respond online (through the candidate's dashboard) within the stipulated time. Failure to respond to the query(ies) will lead to rejection of the Allocated Seat and the candidate will be out of CSAS-2023.

**ADMISSION TO THE PROVISIONALLY ALLOCATED SEAT**

After the College approves, the candidate **will have to pay the Admission Fee** for the approved seat. The admission process will be treated as complete only after successful payment of the admission fee.

**ADVICE**

*Candidates must make the payment well in time and not wait for the last date.*

If a candidate fails to pay the admission fee within the stipulated time, it will be considered as cancellation of the provisionally Allocated Seat. The Allocated Seat shall be forfeited and the candidate will not be considered for any subsequent CSAS-2023 allocation rounds. The candidate will forfeit all the rights of the allocated seat and will not be considered for any subsequent CSAS-2023 allocation rounds.

## SUBSEQUENT ROUNDS OF ALLOCATION

Based on the availability of the seats that arise due to rejections, cancellations, and withdrawals, the University may announce multiple allocation rounds. The UoD will display the vacant seats on its admission website (admission.uod.ac.in) before every allocation round.

All candidates who have applied for CSAS-2023 will be eligible for all allocation rounds, except those whose allocated seat/admission has been canceled for whatever reason.

All admitted candidates who opt for the "Upgrade" option in a particular round will be considered for respective CSAS-2023 allocation round, subject to the availability of seats.

Candidates who were allocated their first preference in any round will not be considered in subsequent rounds of allocation.

Before the announcement of a round, the University will open an "Upgrade" Window for all admitted candidates.

## UPGRADE

An admitted candidate can select the 'Upgrade' option, which will allow upgradation to a higher preference submitted by the candidate. Admitted candidates who opt for upgradation will automatically be upgraded based on the allocation policy.

Choosing the option 'Upgrade' will mean that the candidate consents to consideration of an offer of admission to a Program + College Combination of his/her higher preference in the subsequent round (if any). His/her current admitted seat will be auto canceled if new preference/s is/are allocated.

A candidate who opts for 'Upgrade' can also reorder the Program + College Combinations that were higher in preference than the allocated one.

The Program + College Combination in which s(he) had taken an admission earlier will never be offered to the candidate in any subsequent round. Similarly, the Program + College combinations which were below in the preference order at which the candidate had taken an admission earlier will never be offered again to the candidate in any subsequent round.

The upgrade option will not be available for the candidate who was allocated his/her first preference.

It will be the responsibility of the candidate to keep checking for 'Upgrade' options in all rounds of seat allocations. Failure/inability to participate in the upgradation process will not be considered a grievance in any circumstance.

**A candidate who gets upgraded will have to 'Accept' the upgraded seat and complete the admission procedures on the upgraded Allocated Seat/s. If a candidate does not do any activity on the upgraded seat/s, it will, by default, be considered canceled and the candidate will be out of CSAS-2023.**

In case, a candidate does not get upgraded, his/her admission to the earlier seat will be retained.

A candidate who has taken admission on an Allocated Seat and desires to continue with it should submit a 'Freeze' request through his/her dashboard. **On selecting 'Freeze', such a candidate will never be allowed to opt for "Upgradation."**

#### ADVICE

*Candidates must "Freeze" their admission only if they are satisfied with it and do not want to be considered for subsequent allocations.*

If an admitted candidate neither opts for upgradation nor opts for Freeze, and remains inactive for a round, the admission taken by him/her will be retained and he/she will not be considered for upgradation.

## FREEZE

1. Failure to 'Accept' the provisionally Allocated Seat within the stipulated timeline will lead to the cancellation of the Allocated Seat.
2. The provisionally Allocated Seat will be canceled if a candidate fails to pay the Admission fees within the stipulated time.
3. The provisionally Allocated Seat/Admission will be canceled if, at any time, any of the document(s)/certificate(s) is/are found to be invalid/fraudulent.
4. The provisionally Allocated Seat/Admission will be canceled if, at any time, it is found that a candidate does not meet the Minimum Eligibility Criteria as declared by UoD.

**A candidate whose provisionally allocated seat/admission is canceled due to the above-mentioned reasons will forfeit the right to seek admission to UoD through CSAS-2023**

A candidate who has taken an admission but wishes to withdraw can do so through his/her dashboard by selecting the 'Withdraw' option and paying a withdrawal fee of **Rs. 1000.00 (non-refundable)**.

A candidate who withdraws his/her admission will be out of CSAS-2023. He/she will forfeit his/her eligibility for admission to UG Programs of UoD. No further participation in any of the subsequent allocation rounds (if any) will be allowed.

#### ADVICE

*Candidate should withdraw the admission only if he/she is sure of not continuing with the University of Delhi.*

**There will be no option to withdraw the admission once the Spot Admission round is announced.**

Candidates who failed to apply for CSAS-2023 within the stipulated time and are desirous of participating in CSAS-2023 can participate through the Mid-Entry window (whenever University announces it), by paying a Mid-Entry fee of **Rs. 1000.00 (non-refundable)**.

A candidate who makes a Mid-Entry may be considered for allocation only after all the candidates who had applied earlier and have the merit score/s higher than the lowest declared score have been given allocated.

A candidate who applies to CSAS-2023 mid-way will not hold any right to claim the seats allocated to candidates who had applied to CSAS-2023 during the initial Application Phase. Allocation of seats to such

candidates may be considered for subsequent rounds (if any), subject to fulfillment of eligibility criteria, availability of seats, and other CSAS-2023 rules.

It will be mandatory for the Mid-Entrant to take admission on the seat allocated to him/her, if offered. Failure to accept the allocated seat will forfeit the candidate's admission to UoD. There will be no option of 'Upgrade'. The seat allocated in a particular allocation round will be final and will not be upgraded in any subsequent allocation round.

Mid-Entry will only be considered after successful remittance of the Mid-Entry fee. Merely applying through Mid-Entry does not guarantee a seat through CSAS-2023.

**Mid-Entry will not be allowed for Performance-Based Programs (B.A.(Hons) Music, B.Sc Physical Education, Health Education, and Sports), and ECA, Sports Supernumerary Quota.**

After the completion of regular CSAS-2023 rounds, if seats remain vacant, UoD may announce Spot round/s of admission.

Candidates who applied for CSAS-2023 but were not admitted to any College on the date of declaration of the Spot Admission round can participate in Spot Admissions.

On the announcement of Spot Admission, the admission of all already candidates will be locked and they will not be considered for upgrades. Similarly, the admitted candidates will not be allowed to withdraw their admissions.

To be considered in a Spot Admission round, the candidate will have to opt for 'Spot Admission' through his/her dashboard.

**For every Spot Admission round the University will display the vacant seats of each Program. A desirous candidate will be able to select ONLY ONE Program.**

In Spot Admissions, allocations will be done on the basis of the following criteria:

1. Availability of seats.
2. Program-Specific merit.
3. Order of Preference of College.
4. Category.
5. Any other allocation rules, policies, or criteria as mentioned in this document (CSAS-2023), UG BOI – 2023, or published on the admission website of UoD

It will be mandatory for the candidate to take admission to the seat allocated in a Spot round. Failure to accept the allocated seat in the Spot Admission round will forfeit the candidate's eligibility for admission to UoD and s(he) will be out of CSAS.

There will be no option of 'Upgrade' and 'Withdraw' during the Spot Admission rounds. **The seat allocated in a particular Spot Admission round will be final** and will not be upgraded in any subsequent round of Spot Admission rounds.

In the event of a tie, where two or more candidates have the same CUET(UG) - 2023 merit score for a Program

+ College Combination, the following rules will be applied in the stated order to break the tie:

1. The candidate with a higher percentage of aggregate marks in the Best 3 subjects of Class XII will be given preference.
2. The candidate with a higher percentage of aggregate marks in the Best 4 subjects of Class XII will be given preference.
3. The candidates with a higher percentage of aggregate marks in the Best 5 subjects of Class XII will be given preference.
4. Age of the candidate; preference will be given to the candidate having an earlier date of birth (as mentioned in the Class X certificate).

Note:

1. If the mark sheet contains both Class XI and Class XII marks, only Class XII marks will be considered.
2. Any discrepancy in the entry of marks pertaining to the Theory, Practical or Total, will be the sole responsibility of the candidate.
3. If the Class XII mark sheet contains CGPA/Grades, the candidate will have to convert the Grades into equivalent marks/percentages as per the issuing examination board (refer to Annexure II for Grade conversion).

Admission of a candidate will be deemed confirmed only after the successful realization of the Admission Fee. The admission fee must be paid only through the candidate's dashboard.
