To whomsoever it may concern,

Ananya Sankhla has been an outstanding Campus Ambassador at The Jurni. She's shown good organisational and time-management skills and has been able to creatively market the newsletter. She worked with The Jurni in the month of January 2021

Considering the uncertainty of a global pandemic, we could see from the very beginning that she took up her tasks with full enthusiasm and was also able to follow through with the programme well, proving that Ananya can deliver great results even in an uncertain context.

As per Ananya's engagement she was able to analyse the readership of the newsletter and then went on to target specific audiences. For content creation, she stood out from the crowd in displaying excellent social media involvement. We believe one of her biggest assets was her ability to voice her thoughts in a well-crafted manner.

I believe that Ananya would be an asset to have onboard, as she brings a tremendous amount of energy and passion to whatever she pursues.

Sincerely,

Mohika Sharma

Welcome to the team!

Congratulations on making it as a Viral Fission campus intern.

The coming weeks will have fascinating projects and tasks designed to give each one of you a flavor of how the world looks like in a brand brainstorming room.

We don't want you to be sitting on an uncomfortable chair with a semi-functioning computer and random post-its. We believe your creativity deserves your preferred choice of work station - be it your bedroom, favorite couch or even your college canteen with the best coffee to go.

All VF tasks are designed to train students across areas such as analytical thinking, research, branding, marketing and sales. At the end of your internship, based on the performance and progress - few of you will be chosen as TEAM LEADS for your respective zones with additional (fun) responsibilities and learning.

Pro tip: Have fun with the projects and invest in the process! We can't wait to see what you create.

Cheers!

Letter of Recommendation

This is to certify that Isha Sharma is hereby recognized for working in MYCAPTAIN as an campus manager intern from 10 June 2020 to 31 October 2020.

She has a strong desire for continuous learning and for accepting challenges. Her leadership skills and interpersonal skills enabled interns to stay positive. Your organisation matches with her skills and career objective. Firstly she had been interning as campus ambassador and then promoted as a leader, this is a progressive step in her life. She has done work with a subdomain as HUMAN RESOURCE and took interviews and selected the best interns for our organisation.

The friendly nature, communicative personality and confident aura around her speaks for itself and it is not surprising that she is every member's first choice in all aspects.

I thoroughly believe Isha is an ideal candidate for this vacancy/fellowship/seat and I can confidently recommend Isha for any position that she feels matches with her skills and career objective. Your organisation will get benefits from her valuable contributions.
