

Lakshmibai College University of Delhi Department of Commerce admissions of 2020-2021)

Choice Based Credit System

- The objective of CBCS is to provide a sound platform to the student community where they can acquire knowledge and skills .
- The University offers a Learning Outcome-based Curriculum Framework (LOCF) for all its under graduate courses ,in order to provide an opportunity to discover a method of thinking which will help them realize their true potential.
- This degree course intends to inculcate attitudes and character that will help students evolve into sensitive and technically sound future business leaders rather than managers and aims at enhancing employability options of the students. CBCS makes education broad-based and at par with global standards.
- **CGPA** or **Cumulative Grade Point Average** is adopted to introduce a uniform grading system which would benefit the

B. COM (HONS) CURRICULUM

- The new curriculum of B.Com. (Hons.) will empower students to innovate and also inspire them to convert their innovations into real business models for the country's economic and social prosperity.
- The University of Delhi hopes the LOCF approach of the programme B.Com. (Hons.) will motivate students to transition from being passive knowledge-seekers to becoming active and aware knowledge-creators.

Learning Outcomes

- This programme brings out reflective and scientific thinking in the students which makes them inquisitive and curious to get deep insights of the business world and tackle the complex situations with much knowledge and wisdom.
- The content is organized in such a way that the students would be able to think from diverse perspectives and suggest solutions according to their own sensibilities.
- It would also help in making responsible citizens and facilitate character building.
- Shift in focus from the teacher-centric to student-centric
