From the Principal's Desk

At Lakshmibai College, University of Delhi, we take immense pride in shaping young women into confident, capable, and forward-thinking individuals. Our institution is not just about academics—it's about building character, fostering resilience, and preparing students for the ever-evolving professional landscape.

Our students are at the heart of everything we do. They are curious, ambitious, and eager to challenge themselves. With a strong foundation in academics, hands-on experiences, and a vibrant campus life, they emerge as well-rounded individuals ready to take on leadership roles across industries.

The Placement Cell of Lakshmibai College plays a vital role in connecting our students with promising career opportunities. Through corporate tie-ups, skill-building workshops, and mentorship programs, it ensures that our graduates step into the workforce with confidence and competence. We deeply appreciate our recruiters and industry partners who recognize the talent and potential of our students.

To employers, I warmly invite you to engage with our students and discover the dedication and drive they bring to the table. To our students, I encourage you to seize every opportunity, push your limits, and continue striving for excellence.

Here's to another year of learning, growth, and success!

Dr. (Prof.) Pratyush Vatsala
Principal, Lakshmibai College, University of Delhi

Who Are We?

Lakshmibai College has a rich history of academic excellence and holistic development. Established in 1965, the college has consistently strived to provide quality education and empower women through knowledge and skill development. We pride ourselves on fostering a culture of innovation, promoting continuous growth, and nurturing talent across various disciplines. Our commitment to academic rigor is reflected in our consistently high rankings and the achievements of our alumni in diverse fields. We are dedicated to providing a dynamic, inclusive, and intellectually stimulating learning environment where individuals can thrive, realize their full potential, and contribute meaningfully to society. Our faculty comprises experienced academicians and industry experts who are committed to imparting knowledge and mentoring students. We also focus on developing well-rounded personalities by encouraging participation in extracurricular activities, workshops, seminars, and industry interactions.

ABOUT US

- NAAC GRADE is B++
- India today ranking:- 37 in the India Today (2024)
- Ranked 47th by India Today's Best Colleges in 2024

PAST RECRUITERS

PLACEMENT RECRUITERS

INTERSHIP RECRUITERS

RECRUITMENT PROCESS

- 1. Pre-Placement Talk (PPT):** Companies interact with students and placement cell members, sharing their company profile, business aspects, work environment, and opportunities.
- 2. Application and Shortlisting:** Interested students apply to job postings through the placement cell, submitting detailed resumes. Companies then shortlist candidates.
- 3. Placement Interviews:** Shortlisted students are interviewed by companies, either on-campus or at the company's office. Before the interview, a company presentation and Q&A session take place.
- 4. Offers and Acceptance:** After the final interview, companies extend job offers to selected students. Valid offers include role details, location, compensation, and other terms and conditions.
