

# Lecture by Prof. Shobha Bagai

DATE: 15.11.2019

TIME: 11.50 am onwards

VENUE: Lecture Theatre 1

## **Brief Report**

The Department of Mathematics, Lakshmibai College, with the whole-hearted support and guidance of the principal Dr. Pratyush Vatsala, organised a lecture by Professor Shobha Bagai, currently teaching and mentoring in Cluster Innovation Center, Delhi University.

The programme commenced with presentation of a planter by Mrs. Chitra Sharma to Prof. Bagai, as a mark of honor. Dr. Poonam Sarohe, Teacher-in-charge of the department also joined to welcome Prof. Bagai.

## **Planter Presentation to Prof. Shobha Bagai**

This was followed by her talk “From tricks to techniques in Mathematics”. The talk was attended by the students and teachers of the Mathematics Department of the college. In her talk Prof. Bagai introduced the tricks used in mathematics and the techniques behind their working. The talk enlightened the listeners as to how the tricks have been developed and also inspired them to develop some on their own in future.

**Title-** Seminar on M.Sc (Operational Research)

**Day/Date-** Wednesday , 26 February 2020

**Preamble-**

**Participant's Profile-** All the students of the Mathematics Department participated as an active audience.

**Description of the Program-** The seminar was organised for all the students of Mathematics Department to make them familiar about M.Sc Operational Research .

The session was mainly for first and second year students to clear their queries about Master's program in sciences .

During the session , the students were told about the pros of the Master program in sciences and they were provided with the information of the Universities that offers this course like IITB and more. The students were given the preparation tips to crack the entrance of the renowned institutions .

All the students got a chance to interact with the speaker Mr. Arun. Also the curiosity among the students to know more could be felt in the atmosphere add everyone participated with zeal during the session . The seminar ended on a happy note, with all the queries of the students being solved and answered to their satisfaction .

**Feedback-** All the students expressed their gratitude to the faculty members and the speaker Mr. Arun for organizing such an interactive session for them .

**Future Perspective-** The Mathematics Department, Lakshmibai College plans to organize such interactive sessions time to time to help the students to learn more and enhance their skills and to motivate the students to do wonders in the future.
