

LAKSHMIBAI COLLEGE
UNIVERSITY OF DELHI

B A Hons.

SOCIOLOGY Admission 2020-21

CHOICE BASED CREDIT SYSTEM (CBCS)

- Choice Based Credit System (CBCS) is an internationally acknowledged system that allows students to select interdisciplinary and skill-based courses depending upon their interest and aims.
- The University offers a Learning Outcome-based Curriculum Framework (LOCF) for all its under graduate courses, in order to provide well defined learning outcomes, making the teaching-learning process dynamic and goal oriented. It aims to develop critical and analytical skills in the students, enabling them to realize their potential.
- Cumulative Grade Point Average (CGPA) is adopted to:
 - Bring uniformity in evaluation system and computation through grading system, which is considered to be better than conventional marks system.
 - Introduce uniform grading system in the entire higher education in India, benefiting students to move across institutions within India and across countries.
 - Enable potential employer in assessing the performance of the candidates

B.A (HONS.) SOCIOLOGY - INTRODUCTION

- Sociology as a discipline covers a wide range of relevant contemporary issues regarding institutions and socio cultural dynamics of society. It provides an analysis of human behaviour and society in today's contemporary globalised world.
- Studying Sociology will help you to understand and think critically about the different facets of the world we inhabit. Sociology trains students with necessary theoretical and analytical tools to better understand the complex social forces which affect our lives on daily basis.
- As a student of sociology you are required to study, think critically and reflect on various topics such as inequality, class structures, identities, conflict and change, and ultimately be informed by distinct sociological ways of thinking.
- As a student of Sociology the aim is to seek deep appreciation for the complexity and the possibilities of lived experience in a fast-changing world. It will help build core skills and knowledge that are essential in today's workplace and establish a strong foundation for your future career.

COURSE STRUCTURE AND OBJECTIVES

- The B. A (Hons) is a three- year course, each year divided into two semesters, thus making total of six semesters.
- The Programme includes:
 - Core courses (CC) – all compulsory courses
 - Elective Courses – Discipline Specific Elective (DSE)
 - Skill Enhancement Courses (SEC)
 - Generic Electives (GE)
 - Ability Enhancement Compulsory Courses (AECC)

UNDER CBCS BA (HONS.) SOCIOLOGY

To acquire a degree in B.A.(hons.) Sociology, a student must study:

- **14 Core** (compulsory) Papers through semesters I-VI
- **4 DSE** (Discipline specific Elective) Papers through semesters V-VI
- **2 SEC** (Skill Enhancement Course) Papers through semesters III-IV
- **4 GE** (Generic Elective) papers through semesters I-IV
- **2 AECC** (Ability Enhancement compulsory Course) papers through semesters I-II
- Project work/Dissertation is considered as a special course involving application of knowledge in solving / analysing /exploring a real life situation / difficult problem. A Project/Dissertation work would be of 6 credits. A Project/Dissertation work may be given in lieu of a discipline specific elective paper.

SEMESTER 1

CORE PAPER I - INTRODUCTION TO SOCIOLOGY I

CORE PAPER II -SOCIOLOGY OF INDIA I

- BA Hons. Sociology will provide a very dynamic orientation to students. It will help develop the skills to analyse and interpret today's social developments and problems, and carry out you're own sociological investigations.
- All the introductory papers provides a foundation for the other more detailed and specialized courses in sociology at later stage.
- These papers offer a broad introduction to the discipline of sociology. It familiarizes the students with the history and some of the fundamental concepts and concerns of the discipline.
- PAPER 1: Introduction to sociology offers a foundation to various theoretical perspective and thinkers. It also allows students to get familiar with the nature and scope of sociology as a discipline aswell as its relationship with other social sciences. The course aims to provide a general introduction to sociological thought and basic sociological concepts such as process of Socialization, Structure function, social control and change, to name a few.
- Paper 2: Sociology of India introduces the processes and modes of construction of knowledge of India. Further, it aims to draw attention to the key concepts and institutions which are useful for the understanding of Indian society.
- The focus is on studying from the original texts to give the students a flavour of how over a period of time thinkers have conceptualized various aspects of society.

CAREER AVENUES

- Sociology as a discipline will give you the knowledge and skills to tap on various dynamic job opportunities. It involves lectures, workshops, panels and other activities, all designed to help with your studies and equip you for the world of work.
- You will gain transferable skills in:
 - a) research-methods training
 - b) analytical and presentation skills
 - c) critical thinking.
- Sociology as a discipline will prepare you for jobs in fields such as civil services, social research, public relations, publishing and media, research, advertising and many students opted for social welfare, social work and education sectors.

DEPARTMENT EVENTS AND ACTIVITIES

- The department bulletin board is used as a space where students creatively engage with issues and themes of contemporary relevance. Some of the themes featured are sociological thinkers, Social Stratification, Gender and Development.
- Department of Sociology and its society 'SOCIOUS' organizes on regular basis annual talks and seminars where students get an insight into the evolving debates and developments in the field of sociology.
- Our annual inter college cultural festival 'Habitus'. At the festival a series of academic and entertaining activities are organized which keeps students engaged and entertained.
