# Searchable Database of

50,613

Journals Indexed Till Date

62,696,803

Articles Indexed Till Date

10,000+

Articles Added Daily

J-Gate is very useful to faculty, MBA, and other students. In fact, I have used J-Gate in my Ph.D. work, I have taken around 200 reviews (both Indian and Overseas) from J-Gate and kept in REVIEW

OF LITERATURE chapter during my Ph.D. work. It is generally challenging and time consuming to get references, but with the help of J-Gate, I could gather many reviews with ease.

**Dr. Balaram Bora** Associate Professor & HOD Department of Management Studies AITAM, Tekkali

J-Gate has a large collection of articles for reference. I found it easy to access, no complications and a host of helpful features to make my research easier. I found relevant articles in a few clicks, which would have otherwise taken me a couple of hours.

**Harshini Nadig S** Research and Development Associate, Indian Institute of Science, Bangalore

Easy to Use Search Functionalities

Refine your Search Results

Create your Personal Library for Quick Access

Set Alerts on your Favourite Journals

Request Articles from other Consortia Members

Comprehensive Journal Classification

We Conduct Trainings for students and teachers to well- equip them about J-Gate for enhanced customer experience.

[Book a Session](#)

The J-Gate Campus Ambassador Program is a platform for students who are passionate about research and education to start and run an active research club in their college.

[Enroll Now](#)

## About Us

Launched in 2001 by Informatics India Limited, J-Gate is an electronic gateway to global e-journal literature. J-Gate provides seamless access to millions of journal articles. The J-Gate platform is fronted by a simple, intuitive, and easy-to-use interface, and also gives users complete control over search filters. By allowing users to access content from a wide variety of publishers on a single platform, J-Gate exponentially increases journal usage.

# Delhi University Library System

## ALPHABETICAL LIST OF E-RESOURCES/ONLINE DATABASES

A large number of Electronic Resources are available for access through Delhi University Library System . It includes the Reference Sources, Bibliographic Sources, Statistical Sources, and Full Text Sources. A brief description of each resource including the Subject Coverage, Search Features, Database Services, Document Category, etc. is available through the link 'More Information' for the help of users. The given URL Address directly takes to the concerned database.

DELNET/MEM/2018

June 6, 2018

Sub: *DELNET Resources and Services for Lakshmbal College (University of Delhi), Delhi*

Dear Ms. Tanuja,

I would like to draw your kind attention to the fact that there is an enormous growth of information resources taking place in the world at present. Applications of ICT in libraries are becoming sophisticated. At the same time academic, technical and research libraries are needing the best and selected content including e-books and e-journals for their students and teachers.

The accreditation bodies also want the libraries to have the following facilities in their libraries:

- i. Should be using the information resources of a library network;
- ii. Should be able to borrow on loan documents from other libraries;
- iii. Have digital library services;
- iv. Have linkages with other libraries;
- v. Have access to digital repositories of articles, books, etc.

DELNET provides all the above mentioned facilities and services effectively and efficiently.

DELNET is devoted to the modernisation and networking of libraries since 1988. It has been supported from time to time by the Ministry of Science and Technology, Ministry of Culture and the National Informatics Centre of the Government of India. DELNET also had signed an MOU with the All India Council for Technical Education (AICTE) in 2001 to modernise and network its approved and accredited technical institutions in India.

I would like to mention that the prestigious Colleges and Universities in Delhi including Delhi College of Arts & Commerce; Deshbandhu College; Indraprastha College for Women; Kamala Nehru College; Lady Irwin College; Lady Shri Ram College for Women; Maitreyi College; Motilal Nehru College (Day); Ramanujan College; Shaheed Sukhdev College of Business Studies; Shri Ram College of Commerce; University College of Medical Sciences; Vivekananda College; Delhi Technological University; Guru Gobind Singh Indraprastha University; Indira Gandhi National Open University; Jamia Hamdard (Deemed Univesity); Jamia Millia Islamia; Jawaharlal Nehru University; South Asian University; University of Delhi and many others are the members of DELNET and are greatly utilising the services.

DELNET, a major resource sharing library network is a non-profit organisation. It functions from Jawaharlal Nehru University campus and is devoted to promoting sharing of resources among libraries and providing latest information resources to users. DELNET networks about 6,100 libraries including 4,000 college libraries and the libraries of about 300 Universities.

Access to DELNET resources is available at a highly subsidised annual subscription charges of Rs. 11,500 + 18% (GST) per library and a one-time admission fee of Rs. 5,000 + 18% (GST) per library. In order to help students, researchers and the scholars, DELNET has not increased its subscription charges since 2001, yet its digital, full-text and catalogue resources have increased 10 times in this period. Being a non-profit and non-commercial organisation we are devoted to helping libraries in upgrading library and information services at a low cost for their patrons.
