

## **Women's Development Centre and the Gender Sensitisation Committee**

The Women's Development Centre and the Gender Sensitisation Committee of the college are committed to providing a safe campus to students that is free of gender discrimination. The college WDC and Gender Sensitisation Committee is working towards empowerment of our students. On 25 November 2021 the committee introduced the goals and activities to the new students as part of the students' orientation programme. Students were encouraged to participate in events organised by the committee.

A workshop on awareness of Cyberbullying and its prevention in institutions of higher education was organised by the WDC on 14 January 2022 by the WDC. Dr. Meenakshi Ingole, Assistant Professor, department of education, Delhi University addressed the students on multiple challenges and issues regarding cyberbullying. Students took avid interest and participated in the event.

On the occasion of International Women's day, a movie screening ( A Thursday) was organised and an interesting group discussion was held where capital punishment for rape was discussed ( on 7 March 2022). On Women's day 8 March 2022 a poster- making and poetry writing competition was held on the theme of "The Woman of Tomorrow". Many students participated in the event to make it a success.
