

Lakshmibai College

UNIVERSITY OF DELHI

Welcome Freshers 2020

Dear student,

Congratulations for beginning a new chapter in your life. We officially welcome you to Lakshmibai College - your college, your campus, and your second home for next three years. Securing a seat in a Delhi University College is a dream come true for most of you. We would like to thank you and your parents for entrusting us with your future. Lakshmibai College family including the faculty, non-teaching staff and senior students will ensure that you get ample opportunities to thrive and flourish and achieve your fullest potential. At Lakshmibai College, our prime focus is to impart education through experiential ways, hands-on practice and real-life application of concepts with due emphasis on leveraging ICT to enhance teaching learning process. The college is making wholesome efforts towards constant upgradation of infrastructure and facilities to provide you a memorable and conducive environment. You will also be assigned Faculty Mentors to address all your concerns including COVID related apprehensions, college issues and queries relating to higher education and career.

In these unusual times of COVID pandemic, the college continues to offer all its facilities through virtual mode and we strive to welcome and nurture you with the same enthusiasm and zest. Virtual world has its own limitations but the motto will always be to maintain that emotional connect with carefully designed programs like Mentor Mentee sessions.

This welcome note is the first step in establishing personal connect despite physical distance. The campus experience awaits you. While we are as eager as you to meet and interact in person, let us set the ball rolling for now.

I would like to thank all the parents and wish all the students the very best for their journey at Lakshmibai College.

From Principal's Desk

Dr. Pratyush Vatsala
