Convener – Dr. Meenu

18. Industrial trip

A trip to Dharamshala and McLeod Ganj was organised from 9th October,2019 to 12thOctober,2019 where the students visited the Tea Factory to gain the industrial experience besides visiting the beautiful temples. They also learnt about balancing their lives from mother nature while trekking in Triund.

19. Teaching methods adopted to improve student learning

We have Lecture Theatres equipped with projectors and white boards to deliver effective teaching. On various occasions, modern teaching aids such as PowerPoint presentations, online resources, are employed by the teachers. Students are also encouraged to prepare projects and presentations on regular basis so as to help them develop analytical and insightful thinking on various topics of the discipline. They are frequently asked to participate in quiz, GD and mock interviews as they are pursuing professional course.

20. Details of Infrastructural facilities

- a) Internet facilities for Staff & Students:** The college is Wi-Fi enabled with free access for both staff and students.
- b) Classrooms with ICT facility:** Many classrooms are fitted with projectors to aid in teaching learning process.
- c) Laboratories:** One computer laboratory with the facilities of internet, Mathematical software, projector, printer, etc.

21. Number of students receiving financial assistance from college, university, government or other agencies: None

22. Analysis of the department and Future plans

Strengths

- Various seminars, workshops, talks by eminent experts are organized on a regular basis for elevating students on various topics of national and international significance.
- Every year students enthusiastically organize the departmental annual festival and are also encouraged to participate in the various academic events of the festival.
- A visit / Industrial trip is organized every year to give students first hand information about the functioning of the industry.
- Students register themselves in college placement cell and Central University Placement cell through which they get various opportunities after under graduation.
- Students are also encouraged to participate in their choices of extra-curricular activities which include sports such as football and basketball, Creative arts and crafts, Dance, movement and music, Drama and role play.

Opportunities

- Our students have good prospects in the corporate sector, research institutes and with the government sector at the positions of Analysts, Consultants, Bankers.
- Pursue higher studies in Economics, Management, Finance, Actuarial Sciences and other allied fields. Even while pursuing the course, our students get summer internships in various organizations of repute.

Challenges

- To maintain the quality of education and employ teaching and evaluation methods in line with the changing needs.
- To enhance employability of the students and customize the Placement Cell according to the career specific needs of the department. Funds to build international exchange programmes to inculcate global best practices

Future Plans

- The department plans to maintain a library of subject books, archives, reading materials, preserving question papers and solutions for easy access to students.
- The department plans to conduct more student-oriented seminars / conferences at the regional/national level.
- The department plans to conduct remedial classes for students who may not have done well in a particular subjects and teachers would like to be more actively involved as facilitators for students.
- The department also plans to move towards the publication of a departmental Journal and would be inviting articles from students / faculty of other colleges.
- The department also plans to build an 'Alumni club' and maintain updated information of its alumni.
- Fostering learning, developing intellectual ability, furthering social bonding among faculty and students, and supporting a vibrant academic atmosphere on campus, the BBE Society plans to organize various regular events like academic talks, debates, and discussions throughout the remaining academic year so as to uphold its aspirations of promoting critical thinking and creativity among students.
