

Title- Teacher's Day (5th September, 2020)

Day/Date- Monday, 7th September, 2020

Preamble-

Participant's Profile- Many students of second and third year participated. All teachers as well as the first year students were the audience.

Description of the Program- The Teachers Day was organized for all the teachers of the Mathematics department for expressing our gratitude and respect towards our teachers. Due to some technical reason it was celebrated on 07th September, 2020 instead of 05th September, 2020.

The event took place under the guidance of Dr. Talat Sultana, Teacher In Charge of the Department and of the teachers of the department.

During the programme the students entertained the teachers by showcasing their dance skills as well as their poetry skills.

Few students also made a short video for the teachers.

The Teachers Day programme ended on a happy note, with a big smile on every person's face.

Feedback- All the teachers were happy and satisfied with the students efforts.

Future Perspective- The Mathematics Department, Lakshmibai College plans organize such interactive sessions time to time to help students learn more about the teachers.
