

**Title-** Orientation Day

**Day/Date-** Wednesday, 18<sup>th</sup> November, 2020

**Preamble-**

**Participant's Profile-** Many students of second and third year participated and first year students were the audience.

**Description of the Program-** The orientation day was organized for the first year students to make them familiar with the course syllabi, curriculum, department, teachers and college etc.

The event took place under the guidance of Dr. Talat Sultana, Teacher In Charge of the Department and of the teachers of the department.

The session was for first year students to clear their queries regarding the course and selection of the Generic Elective subject.

During the session students were told regarding all the Generic Elective subjects offered by the college along with their future perspectives and their need for various competitive examinations.

Students of 1st year got a chance to interact with the teachers and with their seniors, i.e. students of 2<sup>nd</sup> and 3<sup>rd</sup> year. Also, the curiosity among the students to know more could be felt in the atmosphere as everyone participated with zeal during the session.

The orientation programme ended on a happy note, with all the queries of the students being solved and answered to their satisfaction.

**Feedback-** All the first year students expressed their gratitude to the teachers and students of second and third year for organizing such an interactive session for them.

**Future Perspective-** The Mathematics Department, Lakshmibai College plans organize such interactive sessions time to time to help students learn more.
