

## **PLACEMENT CELL**

The Placement Cell of the college strives to guide students in discovering their career objectives and goals, and also to create awareness about emerging and prevailing career options. In addition, the cell endeavors to hone the skills of students in order to cater to the expectations of the job world. In this context, the cell organizes various events, seminars and workshops conducted by professionals from both the academic and corporate world.

The following are the activities undertaken in the year 2015-2016.

- Organized a seminar on “India@2025” by resource person Dr. Hari Krishna Maram, Chairman and Founder CEO-Imperial College, Bangalore.
- Organized a seminar on “Emerging and Hidden High-Paying Jobs” by resource person Mr. Rajeev Jain from Campus 2 Corporate.
- NIIT conducted a seminar-cum-workshop on “Interview Handling Skills and CV Writing” and an aptitude test under the 25<sup>th</sup> Bhavishya Jyoti Scholarship programme in the college campus.
- A seminar on management courses was held in collaboration with the New Delhi Institute of Management to guide about the pre-requisites and prospects of a career in the management industry.
- WhatsApp groups created to constantly update students about the activities and endeavors of the placement cell and also to have an exchange of ideas and suggestions.

Further, the faculty coordinators of the Placement Cell constantly guide and encourage students to appear for the placement drives conducted by the Central Placement Cell, University of Delhi. In the placement drives 2015 -16, several of our students participated in huge numbers. Few of the many successes are listed.

- Five students selected by *Infosys*.
- Five students selected by *WIPRO*.

- Four students selected by *Tata Power*.
- One student shortlisted by *Mera Job India*
- Two students selected by *British Telecom*
- Three students selected by *Tech Mahindra*.
- Three students shortlisted by *Shaadi.com*.
- Four students shortlisted by *Heritage Schools*.
