#### **CAREER AVENUES**

Economics is one of the best subjects to study in Social Sciences. High cut-off for admission is a reflection of the popularity and success in choice amongst students. After completion of Masters in Economics students can prepare for prestigious jobs such as the Indian Economic Service (IES) or at the Reserve Bank of India. After clearing NET/JRF, the teaching profession is also in high demand. A career in economics is extremely rewarding in the corporate sector also.

#### **ACHIEVEMENTS**

Department of Economics students have pursued Masters from prestigious Institutions such as London School of Economics and Political Science, University of Nottingham, DSE(DU), JNU, Gokhale Institute of politics and economics, Ambedkar University Delhi, TERI University. Students have undertaken internship in various reputed organisation such as IFPRI and UNDP.
