#### 15. Multidisciplinary / interdisciplinary

Lakshmibai College is a constituent college of the University of Delhi. We believe in imbibing and perpetuating morals, values, culture, and skills in our students, diligently following our motto, "Satyam Gyanam Anantam" (true knowledge is endless and can be gained perpetually). The aforementioned approach aligns with the NEP's vision to impart value based education. We have a rigorous plan of action to imbue a holistic multidisciplinary ethos in the institution. We offer courses such as BBE, a unique programme culled out from the discipline of Economics and Commerce. In addition, to cater the interests of students from various backgrounds, we offer B.A. (Prog.) in multiple disciplines, which allow the students to have an interdisciplinary learning experience. The institution also offers Generic Elective courses which are from a discipline other than the core discipline opted by the students. Further, we make consistent efforts to inculcate a cross-disciplinary understanding of key ideas via a series of webinars, talks, events etc. Such an integrated structure of knowledge becomes a harbinger of inclusivity and celebrates diversity.

In the view of NEP 2020, good practice/s of the institution to promote multidisciplinary/ interdisciplinary approach is as follows: Young Researchers' Forum and *Bhartiya Bhasha Kendra*.

We believe in creating an apparatus for a research oriented multidisciplinary environment, our Young Researchers' Forum is one such step to spearhead innovation and research, focusing on different areas, catering to a plethora of significant topics, engaging students from different disciplines. Through *Bhartiya Bhasha Kendra* we have made dedicated efforts to develop and promote a culture of linguistic diversity on campus. In order to do so, we have designed course modules for different regional languages of India. This helps the students to enhance their knowledge and familiarity with the rich diversity of our country. The course is

expected to connect learners from different states through learning modules and promote the concept of *Ek Bharat Shrestha Bharat*. These two practices align with NEP 2020, and in a larger sense, outline the core values of our institution viz. creativity, social responsibility, diversity and inclusion, harnessing technology, holistic development, integrity and sustainability.

We strictly follow curriculum prescribed by the University; in regard to the same UGCF guidelines will be followed wherein various 'Value Addition Courses' will be offered to create knowledge pool for social, ethical, traditional values embedded in roots of Indian heritage and culture. Furthermore, the institutional plans to engage in more multidisciplinary research endeavours through the medium of Young Researchers' Forum where students under the guidance of teachers research to find solutions to society's most pressing issues and challenges.

#### **16.Academic bank of credits (ABC):**

Lakshmibai College is a constituent college of the University of Delhi. All initiatives will be made as per University guidelines and directives.

#### **17.Skill development:**

LBC promotes a dynamic teaching-learning environment where our students become beneficiaries of the latest vocational education and soft skills required to ace in various industries and sectors. The NSS unit of Lakshmibai College comprises of a team of socially driven students who work in synergy to bring about necessary changes in the society. The NSS unit has different projects and volunteers who work selflessly on projects such as Red Dot Project, Saksham, Samarpan, Shiksha Cell, Umang, Urvar etc. Similarly, Enactus-LBC, is a student-run and student-operated, not-for-profit entity. Under the aegis of Enactus-India, Enactus-LBC is running a social enterprise project by the name 'Stitching the Change'. With head for business and heart for the society, the project is aimed at creating social enterprise options for females of Sawan Park Basti, belonging to financially deprived sections of the society; promoting female empowerment through sustainable living. The project is based on the 4R model of reduce, reform, replace and renew.

In the view of NEP 2020, good practice/s of the institution pertaining to the Skill development is as follows: Creativity, Innovation and Entrepreneurship Cell

We believe in marching forward in tandem with cultural values

embedded in our core and traditions. The CIE Cell of Lakshmibai College operates under the mandate of the Atmanirbhar Bharat Abhiyaan is the vision of a new India envisaged by the Prime Minister Narendra Modi. With CIE Cell we aim to promote a culture of innovation and creativity and help in growth of budding entrepreneurs. Our objective is to impart entrepreneurship skills, experiential learning, out-of-the-box thinking that leads to innovation, soft skills training, and stimulate creativity among the students. The purpose of the Cell is to empower students by providing the experiences of an entrepreneurial journey through various projects. The College is registered with the Institution Innovation Council (IIC) under the Ministry of Education, for systematically fostering a culture of innovation along with other Higher Educational Institutions (HEIs) registered with the IIC.

The three main initiatives of CIE cell are: Launch of Goodwill Store and establishment of the Enactus at College. Another major initiative was the development of in-house brand Parampara under Udhyamita Vikas Kendra. The product division of brand Parampara includes Dhoop Batti, Sambrani Havan Cups, Vermicompost, Pure Honey, Bio-enzymes, Mushroom cultivation, Nutri Bite, and Red Dot which are running successfully.

The Cell collaborated with various organisations for successful running of various projects. Under the Dhoop Batti and Sambrani Havan Cups projects, the cell collaborated with Aryavart Vaidic Chikitsalaya Pvt. Ltd. There was an MOU signed with the non-profit organization Sewa Bharti for eco-friendly packaging of the Vermicompost. For this, the college organised a Donation Drive for collection of used cloth for raw material. Bio-enzymes are prepared with orange peel, jaggery and water in plastic bottles which are collected through donation drives and hence the Cell makes efforts to reduce the carbon footprint. Nutri-Bite, another product under the Parampara brand, focuses on food healthy intake. Under the Red Dot Project, reusable cloth sanitary napkins are prepared by the students. Mushroom cultivation and Honey Bee farming are other two projects which are underway.

#### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

Under the tutelage of Lakshmibai College, students grow into socially responsible and culturally integrated individuals. Our campus is a perfect blend of traditional and modern values. Our 'Knowledge Eco-system' (KES) caters to nature, philosophy and character of 'Gurukulam' to provide our students knowledge beyond

traditional classroom set-up. Our Gurukulam includes a panel of experts for mentoring and promoting academic and research initiatives. It comprises of three significant units: the Knowledge Creation Cell hosts series of webinars to nurture larger discussions of Bharatiya Knowledge Systems for holistic understanding and interpretation, the Knowledge Production Cell works on Transcriptions and Reports to build a repository of knowledge and the Knowledge Management Cell caters to the effective and strategic distribution and dissemination of knowledge across spectrums. Gurukulam encourages and fosters research-oriented mindset to dwell deeper into the pool of path-breaking knowledge. It aims to create, manage and produce varying discourses of research and to open a knowledge sharing network. KES actively empowers the dialogue of Bharatiya Knowledge Systems through its Webinar Series.

We make sincere and dedicated efforts in preserving and promoting Indian languages, culture, tradition and art forms. In order to promote linguistic diversity, Bhartiya Bhasha Kendra has launched its first ever well designed course modules on different regional languages of India in March 2022. Initially, the college is planned to offer 8 regional languages but plans to add other regional languages in future. The course is expected to connect the learners from different states through learning modules and promote the concept of Ek Bharat Shrestha Bharat. Moreover, our students learn the traditional art forms such as Indian Classical music and dance, under the aegis of the Department of Music. The ancient Indian education philosophy of 'Guru Shishya parampara' governs the process of learning.

Moreover, Departments such as Sanskrit and Punjabi teach in Indian languages and students of B.A. (Prog.) are taught bilingually. This helps in catering the diverse needs and interests of students while promoting an ethos of inclusivity in the institution.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

Lakshmibai College is a constituent college of the University of Delhi; accordingly we follow the curriculum guidelines and framework laid down by the University. At the institutional level, all the departments are instructed to strictly follow the latest curriculum.

One good practice of the institution pertaining to the Outcome based education (OBE) in view of NEP 2020 is as follows:

The Academic Improvement and Initiatives Committee (AIIC) encourages the faculty members to ensure well planned and documented process for curriculum delivery, identifies and promotes courses that include experiential learning and include cross-cutting issues relevant to professional ethics, gender values, human values, environment and sustainability. The AIIC also measures the level of attainment of POs (program outcomes), PSOs (program specific outcome), COs (course outcomes) for all courses and performs an analysis on institutional level. It also stimulates a regulated process of assessment of learning levels of students and organizes special programs for advanced and slow learners, as per their respective requirements. The AIIC also encourages the faculty to chalk out a teaching plan and assessment schedule (course-wise) in the beginning of each semester, followed by a report of teaching outcomes and assessment results, at the end of each semester. In addition, pre-assessment is taken for all first semester students so as to understand their learning levels and accordingly provide them with suitable help and suggestions.

#### **20.Distance education/online education:**

Our College is a premier institution and one of the constituent colleges of the University of Delhi. Accordingly, the University guidelines are followed to offer various courses. We also provide education in distant mode with our on campus IGNOU Study Centre (29040). The IGNOU Centre started working from July 2014 and is running the following Master Degree courses: Political Science (MPS), Hindi (MHD), History (MAH), Economics (MEC), Commerce (MCOM), English (MEG), Social work (MSW), Sanskrit (MSK).

It has been our constant endeavor to incorporate new technologies into our pedagogical practices and also optimize on the factors that make an educational institution more than an information-dispensing tool. Lakshmibai College was one of the first colleges to suggest and start online classes for students. We have registered an exclusive domain on G- Suite and Google Classrooms were created for the sharing study material and class tests/assignments. Also, online classes were held on Google Meet, following Covid protocols. We created email ids for our staff and students in order to connect with students through WhatsApp, personal calls, Facebook, LBC mobile App and more. We aim to continue making such motivated efforts in future with more enthusiasm so as to provide our students with

latest and state of the art facilities.

In the view of NEP 2020, good practice/s of the institution pertaining to the Distance education/online education is as follows:

#### Distribution of study material

The college took initiative to distribute study material to the students during the COVID pandemic; the material was distributed among the needy students, free of cost. The outstation students were sent study material by post. The study material is now made available to the students through the college website.

#### Distribution of laptops

To help out the needy and academically sound students carry on with online lectures, the college decided to take the steps forward to initiate the program of Content Uploading and Laptop Distribution for students coming from economically compromised background. The program unfurled in 3 phases of Content Uploading and Laptop Distribution.

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

### 1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Lakshmibai College is a constituent college of the University of Delhi, and follows syllabus prescribed by the University and adheres to its guidelines regarding number of lectures and tutorials allocated to different courses and follows its schedule of teaching, learning and evaluation. The teaching workload is distributed to yield optimum results. The timetable for a given academic session is prepared well in advance and displayed outside classrooms, on College Website/ college mobile app for students and at other prominent places in the college to ensure transparency and accountability. The students register their preferences for optional papers with the concerned department, and papers to be taught are finalized accordingly. Timely, continuous and careful evaluation of student assignments is done. The academic audit is done by IQAC to ensure timely completion of syllabi as per Academic Calendar. Online platforms were used for classes during this year due to the pandemic.

### 1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The college strictly follows the University academic calendar. Before the end of semester, every year, the staff council of the college under Ordinance XVIII, constitutes and assigns responsibilities to the teaching staff members under the various academic and extra-curricular activity committees. Each committee plans its activities for the year. Before the commencement of each semester, a meeting of the Principal, time table committee convener and department teachers' in-charge is held to examine the requirements of various departments regarding course allocation and teaching schedule. The evaluation schedule as notified by the university is followed well in time for each semester. The college strictly follows all the components of internal assessment: assignments, class tests, projects, presentations, group discussions, project work and attendance. Written assignments and oral presentations are taken which improve theoretical and written

skills of the students. Students are encouraged to discuss and debate the various aspects of a topic in detail during the lectures and tutorials. The schedule of internal assessment is prepared by every faculty member and submitted to department incharge as part of internal academic audit.

## 1.3 - Curriculum Enrichment

### 1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Our Institution addresses issues related to Gender, environment and sustainability, human values and professional ethics through papers being taught in different courses as part of the curriculum. Environmental science is taught to all students along with hands-on experiences like training on compost formation, E-waste awareness programme, bio-diversity evaluation of the college campus and

development of an on-campus Eco park. History Department has papers on the environment. Political Science, Philosophy Departments, Hindi and English Departments have subject paper on feminism/women studies and literature. Human Values and Professional Ethics are being taught in courses like Philosophy, Commerce, and Music. The college goes beyond rigid boundaries of a discipline and integrates activities with curriculum through societies and clubs, for example, Women's Development Cell, Film Club, add-on course on, 'Women and Legal literacy', Nutribite Venture, Self Defense, Yoga and Meditation camps. The students of ApparelDesigniare involved in training process about the development of sustainable and reusable fabric sanitary napkins, by training women from Wazirpur village. A finely developed social consciousness is sought to be ingrained in the students as pedagogy works in conjunction with larger life of the institution.

### 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Learning aptitude and level of students are identified on the basis of continuous internal evaluation throughout semester, end semester examination results and day-to-day interaction with faculty inside and outside the class through tutorials and other arrangements. Pre-assessment was conducted for the students who took admission in

Honours and BA Progm in 2021 in order to identify their learning level in the beginning, organize various programmes accordingly and map their progression during their entire period of graduation.

For advanced learners:

1 Motivated to explore their potential through extra-curriculum activities like interdisciplinary Innovation Project, seminar, group discussion, quiz for developing analytical, problem solving and presentation skills.

1 Access online journals and reference materials with institutional email id.

1 Audio-visual aids like PowerPoint, Charts and Models for effective presentation.

1 Participation in paper presentations, contests, seminars and project exhibitions.

1 Organizing inter-collegiate and state-level cultural, literary and sports competitions.

1 Certificate courses.

1 Career planning and discussions on growth prospects.

1 Student representatives appointed at department level committees.

1 Extra study material.

1 Scholarships and prizes.

For slow learners:

1 Tutorials

1 Multiple class tests, assignments and question banks

1 Motivating and addressing social/language issues acting as obstacle to learning in Mentor Mentee Program

1 Remedial/special classes and revision sessions

1 Group discussions, presentations and peer learning

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Lakshmibai College strives to keep its students and faculty abreast with the latest technology available to streamline day-to-day tasks for overall efficiency of the organization. During the pandemic, entire faculty conducted lectures and tutorials on the Google Classroom. In fact, Lakshmibai College was one of the first colleges to suggest and start online classes for the students during Covid times. The college organized faculty development workshops on Google Classroom and Microsoft Teams.

1 Several classrooms well equipped with projectors and smart boards to create more effective teaching-learning environment.

1 Free Wi-Fi enabled campus for students and faculty.

1 College library upgraded with an electronic database of books. It provides OPAC facility, subscribesto NLIST & DELNET and can be accessed from anywhere.

1 Well equipped state of the art Computer labs and VH lab.

1 Online Timetables can be accessed in a customized way.

1 Google Classroom, Google Meet and Microsoft Teams used for virtual interaction, teaching and assignments.

1 Students given RFID cards, which also serve as SMART CARDS to access and avail various facilities in college.

1 Lakshmibai College mobile App, well integrated with the college website, helps in streamlining student related queries and acts as

**direct interface for students with the College Principal and Staff.**

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

As per the university norms, evaluation is done in two parts. In theory papers, 25% of total marks constitutes Internal Assessment, assessed by attendance (5%), Assignments/Projects (10%) and Test/Presentation (10%). Rest of the 75% marks is assessed through student's performance in external examination conducted by the university. In practical papers, 50% of total marks is allotted to student's performance during the course of teaching and another 50% is assessed by external examiner (appointed by the university) and internal examiner jointly. Distribution of 25 marks (continuous evaluation) is based on Test/Assignment/project report of 10 marks, Lab/practical records of 10 marks and Attendance of 5 marks. During the pandemic, the university directed all the colleges to have internal assessment of 25 marks solely on the basis of assignment or presentation of their students without considering attendance as one time measure.

The college adheres to the university norms and conducts internal

assessment transparently and effectively. Faculty share internal assessment result with comments and suggestions for improvement with their students. Internal assessment in consolidated form is displayed on the website which ensures double-check. Internal assessment is conducted efficiently and every department has a moderation committee (having current, previous and incoming in-charges) for moderation purposes.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The college has a well-developed system to address grievances related to internal examination. Internal assessment marks are communicated by the faculty to students through virtual classroom during the pandemic. Grievances are handled by the concerned faculty and department moderation committee in a specified period of time. Final copy of internal assessment is verified and signed by the faculty before it is sent to the university examination branch. The latter also addresses such grievances on receiving them and forwards them to the college. The college rechecks its records and the outcomes are informed to students.

During the pandemic, the college devised the mechanism to resolve the grievances online by providing a platform on Google Classroom enabling the faculty to provide classwork/assignments/projects/openbook class tests. Students can submit their answer sheets and assignments or projects on the same platform online. This provides an opportunity to resolve grievances in real-time by allowing students to express their grievances in the comment box- private between student, college administration and concerned faculty. Students are provided an email id (examquery@lb.du.ac.in) dedicated solely to deal with any kind of exam related problems. A Google link (<https://meet.google.com/pbu-udyg-uiw>) has been generated to solve such problems of students on the spot.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The Course Outcomes (COs) for all the courses have been prepared and uploaded on the website of the college. The college disseminates the COs right from the day of admission and students are informed, more specifically, through the Student Induction Programme (SIP) before the beginning of new academic session. The faculty members elaborate and explain the COs (connecting them with CLOs, POs and PSOs in the wider framework) in their respective classes with an aim to promote outcome-based learning. Throughout the discussion in a semester, there is frequent reference to COs. Finally at the end of semester, faculty members check along with their respective students the nature of delivery of the COs.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

College introduced indirect method (student feedback collected through course exit survey and program exit survey) for CO PO assessment in the session 2021-22.

First, CO attainment levels are based on internal assessment and external examination conducted by the university:

Level 3: 85% of students score more than 40% marks out of overall internal and external marks

Level 2: 75-85% students score more than 40% marks

**Level 1: 65-75% students score more than 40% marks**

CO assessment in percentage is calculated for each course in a semester using a combination of direct method (external evaluation) and indirect method (course exit survey) carrying 80% and 20% weightage respectively.

PO attainment is calculated through the formula:  $(\text{Avg. of COs of a PO} / 3) \times \text{final CO attainment for subject}$ . Overall PO attainment is average of all PO attainments in percentage. PSO attainment is calculated through the formula:  $(\text{Avg. of COs of a PSO} / 3) \times \text{final CO attainment for subject}$ . Overall PSO attainment is average of all PSO attainments in percentage.

CLOs are measured using Bloom's Revised Taxonomy- remember, understand, apply (lower levels), analyze, evaluate, and create (higher levels). CLOs are measured coursewise and semesterwise in percentage through instructor's class observations.

## 3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Young Researchers' Forum, a unique initiative of Lakshmibai College, was launched in December 2020 to cement the mutually invigorating relationship between teaching and research by probing, exploring and analysing that class interactions and independent readings might have fanned. The forum recommends a faculty mentor to guide the young learners through this research journey. For this, abstract proposals were invited from mentors and interested students. 13 Application and Abstracts on relevant multidisciplinary research topics were approved. These projects started in February 2021 and submitted by September 2021. A Gurukulam consisting of 21 eminent experts from different disciplines and universities has been created to help and mentor us in all such endeavours.

As a logical progression, a research/knowledge eco system was created in October 2021 with an aim to build a dedicated research centre which will organise research webinars with eminent thinkers and scholars, would preserve the verbal content in the form of

transcriptions and will upload/publish them in college website, therefore creating an accessible reservoir of supportive material for students and faculty members alike. The first webinar held was on 12th November, 2021, Topic- NEP 2020, Aatmanirbhar Bharat and Multidisciplinary Research, Speaker- Prof. Nirajan Kumar, Department of Hindi, Faculty of Arts, Delhi University

## GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The vision of Lakshmibai College is stated in its motto of "Satyam Gyanam Anantam" meaning, true knowledge is endless and can be gained perpetually. Taittiriya Upanishad (11.1). The mission is: - To inculcate the spirit of integrity, self-awareness and self-reliance among youth; - To impart transversal skills relevant for 21st century life and sustainable development; - To nurture the eternal quest for truth and inquiry, creativity and love for knowledge.

The Governing Body (GB) provides guidance for all activities as per the mission of the college. The Principal provides academic leadership and evolves strategies for academic growth in association with various faculties. The faculty is actively involved in decision-making process through Staff Council. The matters related with admissions of students, workload, new posts/ vacancies, timetable and cocurricular/extracurricular etc. are discussed and decisions are carried out through its various committees subject to Delhi University provisions and ordinances.

The institute encourages modern approach to teaching-learning process using ICT resources. FDPs and workshops to impart skills are conducted. Students' projects, research activities, and extension activities are an important part of campus life. The vision inspires management, teachers and students to make LBC, a centre of excellence in academics, sports and other cultural activities.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Institution practices decentralization and participative management through Staff Council, a statutory body with Principal as chair and entire teaching faculty as its members.

#### Case study-Workload Committee

Workload committee, formed in Staff Council, works consistently in close coordination with all Teacher in charges(TICs), Academic Improvement Initiatives Committee(AIIC) and Student Information Management System(SIMS).

The strategic planning by workload committee starts about 2 months ahead of beginning of each academic year. Workload for each semester of each department is collected from respective TICs. Based on actual students intake and CBCS guidelines, number of sections are decided. This data is passed on to SIMS and AIIC who collect and compile data for Generic Electives(GE) and Skill Enhancement Courses(SEC) options. This helps in forming required sections for GE and SEC and information is shared with workload committee. Workload is finalized according to upper cap of sanctioned strength of teachers of each department. The committee also recommends need for appointment of ad-hoc and guest faculty when teachers proceed on leave. TICs act and interact with their departments with guidance from Workload Committee. Vacancies arising and their exact numbers are then decided in consultation with Principal for which the Governing Body's approval is sought. These vacancies get advertised at beginning of session to facilitate timely and smooth functioning of classes.

## 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The Academic Improvement Initiatives Committee (AIIC) discusses, plans and executes various initiatives relating to streamlining and strengthening of curriculum delivery and quality enhancement in teaching learning process in

consultation with the Internal Quality Assurance Cell (IQAC) through monthly meetings with the Department Teacher In-charges (TICs) as ex officio members.

AIIC has facilitated annual academic audit of the Departments, prepared and displayed mentor-mentee lists on the college website and maintained records of the interactions of faculty with their allocated mentees. AIIC initiated first-ever pre-assessment for

first semester students for mapping their progression during entire graduation together with student progression records for second year and third year students. Besides this, CO (Course Objective) - PO (Program Objective) mapping, CO-PO-CLO (Course Learning Objective) analysis, and question banks (course wise and semester wise) have been prepared. Additionally, on 9th March 2022, AIIC in collaboration with Computer Science Department of the college began an in-house interdisciplinary free workshop series on "Data Science" of the duration of three months for the faculty and students of Lakshmibai College as well as its Vidya Vistar partner colleges.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Institution gets 95% funding from UGC and 5% from Delhi Government. Governing Body(GB) is executive authority for general supervision and control of college affairs like appointments, annual accounts and finance, infrastructure expansion, purchases, new courses, fees and granting leave to staff according to university rules. GB has elected Chairman and Treasurer; members from Delhi Government, two nominees usually Professors from University and two college faculty members(one >10 years, other <10 years teaching experience). Principal is member secretary of GB and heads college. Treasurer is custodian of funds and advises GB on financial policy.

Principal is chief executive and coordinates college activities. Principal is chairperson of Staff Council. Academic decisions like workload, timetables, admission etc. are taken by Staff Council committees, subject to Delhi University provisions. Staff Council Secretary acts as liaison between Principal and faculty. Vice Principal assists Principal in discharge of her functions and manages routine administrative matters in her absence. Bursar, faculty member, is appointed by GB on Principal's recommendation.

Administrative Officer(AO) is head of administration and leads Senior PA; Section Officer (Accounts) and Section Officer (Administration) with team of Senior Assistant, Assistant, Junior

Assistant and MTS(Office). Caretaker looks after building maintenance and supervises sanitation staff. Librarian reports to Principal and manages library through Professional Assistant, Semi-professional Assistant and MTS(Library). Senior Technical Assistant reports directly to AO.

### 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

#### Assessment and promotion of faculty under CAS 2018 through APAR and PBAS:

The IQAC became instrumental in the process of screening and forwarding the PBAS, APARS with necessary grading in accordance with the University of Delhi standard operating procedure for promotion. The promotions of faculty members to Assistant Professor Stage II, Associate Professors and Professors has been processed as per CAS 2018/various other promotion schemes. The APAR form, developed in-house, can be filled by all the teachers online.

#### Appraisal of Non-teaching Staff

The appraisal of non-teaching staff is done through the Performance Appraisal Report (APAR) which provides the basic and vital inputs for further development of an officer. The Reporting Authority and Reviewing Authority have the responsibility of filling up the form and report the strengths and weaknesses of the employee. The reporting is done on a numerical scale of 1 -10.

## 6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit

objections within a maximum of 200 words

Regular audits are performed by the college to obtain objective insights. The college abides by the rules and regulations of its funding bodies. The Public Financial Management System (PFMS) is being used by the college for financial transactions. As sub-Abs of UGC, we are now covered under the Treasury Single Account (TSA), having account with Reserve Bank of India.

Three types of audits are being performed. Internal audit is carried out by a chartered Accountant duly appointed by the college with approval of the competent authority. Delhi Government and CAG also audit (external audit) us from time to time.

Whenever an audit is conducted, ledgers and books are provided to the auditors. If there are some observations/objections by auditors, the college officers provide relevant documents to clarify. If objections still persist, for example, recovery of some dues, then relevant action is taken and documents are shown to the audit party. Others are clarified with suitable explanations.

#### 6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The college mobilizes funds through sources like tuition fees, examination fee, laboratory fee and Students Union fee annually from students. For Add on courses, registration fee and course fee are collected. Grants are often raised for research projects and organizing national seminars, workshops, events through Government sources such as Delhi University, UGC, ICSSR, ICPR, Hindi Academy, Sanskrit Academy and sponsorships from corporate bodies. A part of tuition and examination fee is forwarded to university as per rules. The sports fee is utilized for training of sports students. Laboratory fee is used for purchase and maintenance of laboratory equipment. A segment of Students Union fund is allocated among college societies which organize extracurricular activities and events. From Add on course fee, payments are made to collaborating training partners. Registration fee takes care of honorarium paid to support staff and for meeting other miscellaneous expenses of the course. Donations are received from retired faculty members for fee concessions for needy students.

For optimum use of infrastructure, college premises are used on holidays and Sundays for Noncollegiate Women's Education Board(NCWEB) and Indira Gandhi National Open University(IGNOU) classes. During 2nd phase of lockdown 2021, covid care facilities were provided to utilize the college resources.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Incremental improvements made from the preceding year with regard to teaching learning processes:

1. Pre-Assessment of students, question bank and CO-PO mapping and analysis was implemented through Academic Improvement Initiatives Committee (AIIC). The academic audit was conducted for 2020-2021.

IQAC focuses on academic audit, every department presents a result analysis of all the semesters. Comparisons are made with previous

years results to identify slow learners and provide additional academic support to them. Faculty members are encouraged to adapt and use academic and administrative audits to enhance quality in all areas of teaching, learning and administration.

- Teaching Plans
- Assessment Schedule
- Departmental Activities' Records
- Minutes of Departmental Meetings
- Result Analysis Data
- Records of Course Completion
- Mentorship Records
- Internal Assessment moderation meeting records

2. Under the aegis of IQAC, the Knowledge Ecosystem unit of Bhartiya Bhasha Kendra (BBK) launched add on courses on Eight Regional Languages of India (Assamese, Bangla, Urdu, Sanskrit, Odia, Marathi, Punjabi and Tamil). Another new add on course offered was one month course on Guidance and Counselling. These were offered in addition to the add-on courses being offered earlier like foreign languages, harmonium, vedic maths, media, commerce and data analysis.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

For Solid waste management, E-waste Management and Waste recycling system, there is 'Natural Ecosystems' themed "Eco Park (waste to wonder)" Project, developed through recycle system, to spread awareness about waste management and educate students about natural systems. Waste segregation is a regular practice. One compost pit and dedicated repositories for waste in the form of coded dustbins - green for biodegradable, blue for paper waste, yellow for plastic & metals and red for hazardous waste are installed. To sensitize students and teachers to reduce use of plastics, "Bring your own bottle and Cutlery" campaign was launched. Plastic bottle crusher and paper shredder machine are also installed in campus. The college has E-waste management system. Contract for E-waste disposal is under process. Comprehensive wastepaper recycling arrangement is in place. Students are conveyed message of "Reduce, Reuse and Recycle" in their daily life.

**Liquid Waste Management:** The institution has well-constructed drainage system leading to closed collection tanks. The tanks are cleaned on a regular basis to avoid stagnation of water. The cleaning workforce has been outsourced.

**Biomedical waste management:** There is no biomedical waste generated in the college except sanitary napkins and disposal units and incinerators are installed in girls' toilets for disposal of sanitary napkins.

Hazardous chemicals and radioactive waste managements are not required as institution does not have any such waste production.

creation. In the campus all the festivals like Diwali, Gowardhan Puja, Eid etc are celebrated along with all non-teaching, teaching staff. Various such events are organized on the particular occasions for students as well. Some of such programs organized were eco-friendly rakhi making competition, Dandiya celebration, world sparrow day, E-waste management awareness session in collaboration with SWAYAM, world Ozone day celebration, World Environment Day celebration, cleanliness drives, best out of waste, paper pulp products formation, wall and tree graffities, nukkad natak by NSS and NCC teams on importantsocial, environmental and cultural topics.

Apart from it, a uniquefeature of our institution is to do musical exercises at breaktime on different religious, patriotic and regionalsongs. Teachers, non-teaching staff or students can come and join the dance exercise together. This makes such a beautiful environment that the whole college family enjoys.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format

provided in the Manual.

#### CLEAN & GREEN MISSION

To make College, an institution with zero waste generation, to convert waste materials into wonderful and useful items and to create revenue from waste generated, college has proper waste segregation and conversion units such as Aerobin for wet waste conversion into liquid and solid fertilizer, PET bottle crusher for Plastic disposal and making Ecobricks, Different types of dustbins are put at various places in campus. Awareness programs are run regularly.

Ecopark and Gokul 'MeraGavn' are two major green initiatives taken for making campus green. Campus has rabbits, cow and more than 150 species of plants and many bird species such as peacock, parrot, myna, eagle. Mushroom (Oyster & Button) cultivation from crops residue and two units of Bee farming for Italian bees are also setup in campus to enrich biodiversity naturally.

#### ENVIRONMENTAL ENTERPRENURESHIP

College created some wonderful things from waste and other materials present in the campus under Parampara brand name. Some of these are very successful and appreciated in and outside the campus such as ecofriendly Sambhrani cup and herbal dhoop (made of cow dung and some medicinal herbs) to purify air and kill bacteria, bioenzyme floor cleaner (made of orange peels and jaggery). Vermi-compost made in the campus during solid waste management is also sold by Creativity and Entrepreneur (C&E) Cell of college.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within

200 words

To acknowledge power of language and multilingualism under Knowledge Ecosystem, Bharatiya Bhasha Mandal(BBM) took birth in the institution. Once the mandal started to work it didn't look back. Series of activities, programs and achievements added up gradually and BBM got the feature of institutional distinctiveness.

Orientation programme of BBM under IQAC was organized on December 3, 2021. Another orientation was conducted with DHSK College, Assam and Patkai Christian College, Nagaland under Vidya Vistar Scheme on December 1,2021.Inter-college folk song singing competition was held in October 2021, entries were received from Delhi University, DHSK College, Assam and Patkai Christian College, Nagaland.

BBM in collaboration with IQAC and partner colleges, under Vidya Vistar Scheme of University of Delhi, celebrated National Youth Day on January 12,2022. On 21 February 2022, Swami Vivekananda Jayanti. BBM, IQAC and partner college SGRR P.G College, Dehradun celebrated International Mother Language Day- Matribhasha Diwas. Activities included skit in different regional languages, regional songs, idiom quiz, address by Prof. Jaiwanti Dimri, Former Head, Department of English, Himachal Pradesh University, Shimla. International students from Nepal and Afghanistan spoke of shared civilizational ties in terms of language and culture.

BBM also launched ADD-ON courses on eight regional languages- Marathi, Odia, Urdu, Sanskrit, Punjabi, Tamil, Assamese and Bengali on 10-3-2022. All partner colleges were invited virtually for launch.

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Lakshmibai College is a constituent college of the University of Delhi, and follows syllabus prescribed by the University and adheres to its guidelines regarding number of lectures and tutorials allocated to different courses and follows its schedule of teaching, learning and evaluation. The teaching workload is distributed to yield optimum results. The timetable for a given academic session is prepared well in advance and displayed outside classrooms, on College Website/ college mobile app for students and at other prominent places in the college to ensure transparency and accountability. The students register their preferences for optional papers with the concerned department, and papers to be taught are finalized accordingly. Timely, continuous and careful evaluation of student assignments is done. The academic audit is done by IQAC to ensure timely completion of syllabi as per Academic Calendar. Online platforms were used for classes during this year due to the pandemic.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The college strictly follows the University academic calendar. Before the end of semester, every year, the staff council of the college under Ordinance XVIII, constitutes and assigns responsibilities to the teaching staff members under the various academic and extra-curricular activity committees. Each committee plans its activities for the year. Before the commencement of each semester, a meeting of the Principal, time table committee convener and department teachers' in-charge is held to examine the requirements of various departments regarding course allocation and teaching schedule. The evaluation schedule as

notified by the university is followed well in time for each semester. The college strictly follows all the components of internal assessment: assignments, class tests, projects, presentations, group discussions, project work and attendance. Written assignments and oral presentations are taken which improve theoretical and written skills of the students. Students are encouraged to discuss and debate the various aspects of a topic in detail during the lectures and tutorials. The schedule of internal assessment is prepared by every faculty member and submitted to department incharge as part of internal academic audit.

### 1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Our Institution addresses issues related to Gender, environment and sustainability, human values and professional ethics through papers being taught in different courses as part of the curriculum. Environmental science is taught to all students along

with hands-on experiences like training on compost formation, E-waste awareness programme, bio-diversity evaluation of the college campus and development of an on-campus Eco park. History Department has papers on the environment. Political Science, Philosophy Departments, Hindi and English Departments have subject paper on feminism/women studies and literature. Human Values and Professional Ethics are being taught in courses like Philosophy, Commerce, and Music. The college goes beyond rigid boundaries of a discipline and integrates activities with curriculum through societies and clubs, for example, Women's Development Cell, Film Club, add-on course on, 'Women and Legal literacy', Nutribite Venture, Self Defense, Yoga and Meditation camps. The students of Apparel Design are involved in training process about the development of sustainable and reusable fabric sanitary napkins, by training women from Wazirpur village. A finely developed social consciousness is sought to be ingrained in the students as pedagogy works in conjunction with larger life of the institution.

#### 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Learning aptitude and level of students are identified on the basis of continuous internal evaluation throughout semester, end semester examination results and day-to-day interaction with faculty inside and outside the class through tutorials and

other arrangements. Pre-assessment was conducted for the students who took admission in Honours and BA Progm in 2021 in order to identify their learning level in the beginning, organize various programmes accordingly and map their progression during their entire period of graduation.

For advanced learners:

1 Motivated to explore their potential through extra-curriculum activities like interdisciplinary Innovation Project, seminar, group discussion, quiz for developing analytical, problem solving and presentation skills.

1 Access online journals and reference materials with institutional email id.

1 Audio-visual aids like PowerPoint, Charts and Models for effective presentation.

1 Participation in paper presentations, contests, seminars and project exhibitions.

1 Organizing inter-collegiate and state-level cultural, literary and sports competitions.

1 Certificate courses.

1 Career planning and discussions on growth prospects.

1 Student representatives appointed at department level committees.

1 Extra study material.

1 Scholarships and prizes.

For slow learners:

1 Tutorials

1 Multiple class tests, assignments and question banks

1 Motivating and addressing social/language issues acting as obstacle to learning in Mentor Mentee Program

1 Remedial/special classes and revision sessions

## 1 Group discussions, presentations and peer learning

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Lakshmibai College strives to keep its students and faculty abreast with the latest technology available to streamline day-to-day tasks for overall efficiency of the organization. During the pandemic, entire faculty conducted lectures and tutorials on the Google Classroom. In fact, Lakshmibai College was one of the first colleges to suggest and start online classes for the students during Covid times. The college organized faculty development workshops on Google Classroom and Microsoft Teams.

1 Several classrooms well equipped with projectors and smart boards to create more effective teaching-learning environment.

1 Free Wi-Fi enabled campus for students and faculty.

1 College library upgraded with an electronic database of books. It provides OPAC facility, subscribesto NLIST & DELNET and can be accessed from anywhere.

1 Well equipped state of the art Computer labs and VH lab.

1 Online Timetables can be accessed in a customized way.

1 Google Classroom, Google Meet and Microsoft Teams used for

virtual interaction, teaching and assignments.

1 Students given RFID cards, which also serve as SMART CARDS to access and avail various facilities in college.

1 Lakshmibai College mobile App, well integrated with the college website, helps in streamlining student related queries and acts as direct interface for students with the College Principal and Staff.

#### 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

As per the university norms, evaluation is done in two parts. In theory papers, 25% of total marks constitutes Internal Assessment, assessed by attendance (5%), Assignments/Projects (10%) and Test/Presentation (10%). Rest of the 75% marks is assessed through student's performance in external examination conducted by the university. In practical papers, 50% of total marks is allotted to student's performance during the course of teaching and another 50% is assessed by external examiner (appointed by the university) and internal examiner jointly. Distribution of 25 marks (continuous evaluation) is based on Test/Assignment/project report of 10 marks, Lab/practical records of 10 marks and Attendance of 5 marks. During the pandemic, the university directed all the colleges to have internal assessment of 25 marks solely on the basis of assignment or presentation of their students without considering attendance as one time measure.

The college adheres to the university norms and conducts internal assessment transparently and effectively. Faculty share internal assessment result with comments and suggestions for improvement with their students. Internal assessment in consolidated form is displayed on the website which ensures double-check. Internal assessment is conducted efficiently and every department has a moderation committee (having current, previous and incoming in-charges) for moderation purposes.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The college has a well-developed system to address grievances related to internal examination. Internal assessment marks are communicated by the faculty to students through virtual classroom during the pandemic. Grievances are handled by the concerned faculty and department moderation committee in a specified period of time. Final copy of internal assessment is verified and signed by the faculty before it is sent to the university examination branch. The latter also addresses such grievances on receiving them and forwards them to the college. The college rechecks its records and the outcomes are informed to students.

During the pandemic, the college devised the mechanism to resolve the grievances online by providing a platform on Google Classroom enabling the faculty to provide classwork/assignments/projects/openbook class tests. Students can submit their answer sheets and assignments or projects on the same platform online. This provides an opportunity to resolve grievances in real-time by allowing students to express their grievances in the comment box- private between student, college administration and concerned faculty. Students are provided an email id (examquery@lb.du.ac.in) dedicated solely to deal with any kind of exam related problems. A google link (<https://meet.google.com/pbu-udyg-uiw>) has been generated to solve such problems of students on the spot.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The Course Outcomes (COs) for all the courses have been prepared and uploaded on the website of the college. The college disseminates the COs right from the day of admission and students are informed, more specifically, through the Student Induction Programme (SIP) before the beginning of new academic session. The faculty members elaborate and explain the COs (connecting them with CLOs, POs and PSOs in the wider framework) in their respective classes with an aim to promote outcome-based learning. Throughout the discussion in a semester, there is frequent reference to COs. Finally at the end of semester, faculty members check along with their respective students the nature of delivery of the COs.

Upload COs for all Programmes (exemplars from Glossary)	<a href="#">View File</a>

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

College introduced indirect method (student feedback collected through course exit survey and program exit survey) for CO PO assessment in the session 2021-22.

First, CO attainment levels are based on internal assessment and external examination conducted by the university:

Level 3: 85% of students score more than 40% marks out of overall internal and external marks

Level 2: 75-85% students score more than 40% marks

Level 1: 65-75% students score more than 40% marks

CO assessment in percentage is calculated for each course in a semester using a combination of direct method (external evaluation) and indirect method (course exit survey) carrying 80% and 20% weightage respectively.

PO attainment is calculated through the formula:  $(\text{Avg. of COs of a PO} / 3) \times \text{final CO attainment for subject}$ . Overall PO attainment is average of all PO attainments in percentage. PSO attainment is calculated through the formula:  $(\text{Avg. of COs of a PSO} / 3) \times \text{final CO attainment for subject}$ . Overall PSO attainment is average of all PSO attainments in percentage.

CLOs are measured using Bloom's Revised Taxonomy- remember, understand, apply (lower levels), analyze, evaluate, and create (higher levels). CLOs are measured coursewise and semesterwise in percentage through instructor's class observations.

### 3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

**Young Researchers' Forum, a unique initiative of Lakshmibai**

College, was launched in December 2020 to cement the mutually invigorating relationship between teaching and research by probing, exploring and analysing that class interactions and independent readings might have fanned. The forum recommends a faculty mentor to guide the young learners through this research journey. For this, abstract proposals were invited from mentors and interested students. 13 Application and Abstracts on relevant multidisciplinary research topics were approved. These projects started in February 2021 and submitted by September 2021. A Gurukulam consisting of 21 eminent experts from different disciplines and universities has been created to help and mentor us in all such endeavours.

As a logical progression, a research/knowledge eco system was created in October 2021 with an aim to build a dedicated research centre which will organise research webinars with eminent thinkers and scholars, would preserve the verbal content in the form of transcriptions and will upload/publish them in college website, therefore creating an accessible reservoir of supportive material for students and faculty members alike. The first webinar held was on 12th November, 2021, Topic- NEP 2020, Aatmanirbhar Bharat and Multidisciplinary Research, Speaker- Prof. Nirajan Kumar, Department of Hindi, Faculty of Arts, Delhi University

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The vision of Lakshmibai College is stated in its motto of "Satyam Gyanam Anantam" meaning, true knowledge is endless and can be gained perpetually. Taittiriya Upanishad (11.1). The mission is: - To inculcate the spirit of integrity, self-awareness and self-reliance among youth; - To impart transversal skills relevant for 21st century life and sustainable development; - To nurture the eternal quest for truth and inquiry, creativity and love for knowledge.

The Governing Body (GB) provides guidance for all activities as per the mission of the college. The Principal provides academic leadership and evolves strategies for academic growth in association with various faculties. The faculty is actively involved in decision-making process through Staff Council. The matters related with admissions of students, workload, new posts/vacancies, timetable and cocurricular/extracurricular etc. are discussed and decisions are carried out through its various committees subject to Delhi University provisions and ordinances.

The institute encourages modern approach to teaching-learning process using ICT resources. FDPs and workshops to impart skills are conducted. Students' projects, research activities, and extension activities are an important part of campus life. The vision inspires management, teachers and students to make LBC, a centre of excellence in academics, sports and other cultural activities.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Institution practices decentralization and participative management through Staff Council, a statutory body with Principal as chair and entire teaching faculty as its members.

### Case study-Workload Committee

Workload committee, formed in Staff Council, works consistently in close coordination with all Teacher in charges(TICs), Academic Improvement Initiatives Committee(AIIC) and Student Information Management System(SIMS).

The strategic planning by workload committee starts about 2 months ahead of beginning of each academic year. Workload for each semester of each department is collected from respective TICs. Based on actual students intake and CBCS guidelines, number of sections are decided. This data is passed on to SIMS and AIIC who collect and compile data for Generic Electives(GE) and Skill Enhancement Courses(SEC) options. This helps in forming required sections for GE and SEC and information is shared with workload committee. Workload is finalized according to upper cap of sanctioned strength of teachers of each department. The committee also recommends need for appointment of ad-hoc and guest faculty when teachers proceed on leave. TICs act and interact with their departments with guidance from Workload Committee. Vacancies arising and their exact numbers are then decided in consultation with Principal for which the Governing Body's approval is sought. These vacancies get advertised at beginning of session to facilitate timely and smooth functioning of classes.

## 6.2 - Strategy Development and Deployment

### 6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The Academic Improvement Initiatives Committee (AIIC) discusses, plans and executes various initiatives relating to streamlining and strengthening of curriculum delivery and quality enhancement in teaching learning process in

consultation with the Internal Quality Assurance Cell (IQAC) through monthly meetings with the Department Teacher In-charges (TICs) as ex officio members.

AIIC has facilitated annual academic audit of the Departments, prepared and displayed mentor-mentee lists on the college website

and maintained records of the interactions of faculty with their allocated mentees. AIIC initiated first-ever pre-assessment for first semester students for mapping their progression during entire graduation together with student progression records for second year and third year students. Besides this, CO (Course Objective) - PO (Program Objective) mapping, CO-PO-CLO (Course Learning Objective) analysis, and question banks (course wise and semester wise) have been prepared. Additionally, on 9th March 2022, AIIC in collaboration with Computer Science Department of the college began an in-house interdisciplinary free workshop series on "Data Science" of the duration of three months for the faculty and students of Lakshmibai College as well as its Vidya Vistar partner colleges.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Institution gets 95% funding from UGC and 5% from Delhi Government. Governing Body(GB) is executive authority for general supervision and control of college affairs like appointments, annual accounts and finance, infrastructure expansion, purchases, new courses, fees and granting leave to staff according to university rules. GB has elected Chairman and Treasurer; members from Delhi Government, two nominees usually Professors from University and two college faculty members(one >10 years, other <10 years teaching experience). Principal is member secretary of GB and heads college. Treasurer is custodian of funds and advises GB on financial policy.

Principal is chief executive and coordinates college activities. Principal is chairperson of Staff Council. Academic decisions like workload, timetables, admission etc. are taken by Staff Council committees, subject to Delhi University provisions. Staff Council Secretary acts as liaison between Principal and faculty. Vice Principal assists Principal in discharge of her functions and manages routine administrative matters in her absence. Bursar, faculty member, is appointed by GB on Principal's

recommendation.

Administrative Officer(AO) is head of administration and leads Senior PA; Section Officer (Accounts) and Section Officer (Administration) with team of Senior Assistant, Assistant, Junior Assistant and MTS(Office). Caretaker looks after building maintenance and supervises sanitation staff. Librarian reports to Principal and manages library through Professional Assistant, Semi-professional Assistant and MTS(Library). Senior Technical Assistant reports directly to AO.

**6.4 - Financial Management and Resource Mobilization**

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Regular audits are performed by the college to obtain objective insights. The college abides by the rules and regulations of its funding bodies. The Public Financial Management System (PFMS) is being used by the college for financial transactions. As sub-Abs of UGC, we are now covered under the Treasury Single Account (TSA), having account with Reserve Bank of India.

Three types of audits are being performed. Internal audit is carried out by a chartered Accountant duly appointed by the college with approval of the competent authority. Delhi Government and CAG also audit (external audit) us from time to time.

Whenever an audit is conducted, ledgers and books are provided to the auditors. If there are some observations/objections by auditors, the college officers provide relevant documents to clarify. If objections still persist, for example, recovery of some dues, then relevant action is taken and documents are shown to the audit party. Others are clarified with suitable explanations.

#### 6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The college mobilizes funds through sources like tuition fees, examination fee, laboratory fee and Students Union fee annually from students. For Add on courses, registration fee and course fee are collected. Grants are often raised for research projects and organizing national seminars, workshops, events through Government sources such as Delhi University, UGC, ICSSR, ICPR, Hindi Academy, Sanskrit Academy and sponsorships from corporate bodies. A part of tuition and examination fee is forwarded to university as per rules. The sports fee is utilized for training of sports students. Laboratory fee is used for purchase and maintenance of laboratory equipment. A segment of Students Union fund is allocated among college societies which organize extracurricular activities and events. From Add on course fee, payments are made to collaborating training partners. Registration fee takes care of honorarium paid to support staff and for meeting other miscellaneous expenses of the course. Donations are received from retired faculty members for fee concessions for needy students.

For optimum use of infrastructure, college premises are used on holidays and Sundays for Noncollegiate Women's Education Board(NCWEB) and Indira Gandhi National Open University(IGNOU) classes. During 2nd phase of lockdown 2021, covid care facilities were provided to utilize the college resources.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Incremental improvements made from the preceding year with regard to teaching learning processes:

1. Pre-Assessment of students, question bank and CO-PO mapping and analysis was implemented through Academic Improvement Initiatives Committee (AIIC). The academic audit was conducted for 2020-2021.

IQAC focuses on academic audit, every department presents a result analysis of all the semesters. Comparisons are made with previous years results to identify slow learners and provide additional academic support to them. Faculty members are encouraged to adapt and use academic and administrative audits to enhance quality in all areas of teaching, learning and administration.

- Teaching Plans
- Assessment Schedule
- Departmental Activities' Records
- Minutes of Departmental Meetings
- Result Analysis Data
- Records of Course Completion
- Mentorship Records
- Internal Assessment moderation meeting records

2. Under the aegis of IQAC, the Knowledge Ecosystem unit of Bhartiya Bhasha Kendra (BBK) launched add on courses on Eight Regional Languages of India (Assamese, Bangla, Urdu, Sanskrit, Odia, Marathi, Punjabi and Tamil). Another new add on course offered was one month course on Guidance and Counselling. These were offered in addition to the add-on courses being offered earlier like foreign languages, harmonium, vedic maths, media, commerce and data analysis.

**For Solid waste management, E-waste Management and Waste recycling system, there is 'Natural Ecosystems' themed "Eco Park (waste to wonder)" Project, developed through recycle system, to spread awareness about waste management and educate students about natural systems. Waste segregation is a regular practice. One compost pit and dedicated repositories for waste in the form of coded dustbins - green for biodegradable, blue for paper waste, yellow for plastic & metals and red for hazardous waste are installed. To sensitize students and teachers to reduce use of plastics, "Bring your own bottle and Cutlery" campaign was launched. Plastic bottle crusher and paper shredder machine are also installed in campus. The college has E-waste management system. Contract for E-waste disposal is under process. Comprehensive wastepaper recycling arrangement is in place. Students are conveyed message of "Reduce, Reuse and Recycle" in their daily life.**

**Liquid Waste Management:** The institution has well-constructed drainage system leading to closed collection tanks. The tanks are cleaned on a regular basis to avoid stagnation of water. The cleaning workforce has been outsourced.

**Biomedical waste management:** There is no biomedical waste generated in the college except sanitary napkins and disposal units and incinerators are installed in girls' toilets for disposal of sanitary napkins.

**Hazardous chemicals and radioactive waste managements** are not required as institution does not have any such waste production.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The college has its own unique way of inclusive environment creation. In the campus all the festivals like Diwali, Gowardhan Puja, Eid etc are celebrated along with all non-teaching, teaching staff. Various such events are organized on the particular occasions for students as well. Some of such programs organized were eco-friendly rakhi making competition, Dandiya celebration, world sparrow day, E-waste management awareness session in collaboration with SWAYAM, world Ozone day celebration, World Environment Day celebration, cleanliness drives, best out of waste, paper pulp products formation, wall and tree graffities, nukkad nataks by NSS and NCC teams on important social, environmental and cultural topics.

Apart from it, a unique feature of our institution is to do musical exercises at breaktime on different religious, patriotic and regional songs. Teachers, non-teaching staff or students can come and join the dance exercise together. This makes such a beautiful environment that the whole college family enjoys.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

### CLEAN & GREEN MISSION

To make College, an institution with zero waste generation, to convert waste materials into wonderful and useful items and to create revenue from waste generated, college has proper waste segregation and conversion units such as Aerobin for wet waste conversion into liquid and solid fertilizer, PET bottle crusher for Plastic disposal and making Ecobricks, Different types of dustbins are put at various places in campus. Awareness programs are run regularly.

Ecopark and Gokul 'MeraGavn' are two major green initiatives taken for making campus green. Campus has rabbits, cow and more than 150 species of plants and many bird species such as peacock, parrot, myna, eagle. Mushroom (Oyster & Button) cultivation from crops residue and two units of Bee farming for Italian bees are also setup in campus to enrich biodiversity naturally.

### ENVIRONMENTAL ENTREPRENEURSHIP

College created some wonderful things from waste and other materials present in the campus under Parampara brand name. Some of these are very successful and appreciated in and outside the campus such as ecofriendly Sambhrani cup and herbal dhoop (made of cow dung and some medicinal herbs) to purify air and kill bacteria, bioenzyme floor cleaner (made of orange peels and jaggery). Vermi-compost made in the campus during solid waste management is also sold by Creativity and Entrepreneur (C&E) Cell of college.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

To acknowledge power of language and multilingualism under Knowledge Ecosystem, Bharatiya Bhasha Mandal (BBM) took birth in the institution. Once the mandal started to work it didn't look back. Series of activities, programs and achievements added up gradually and BBM got the feature of institutional distinctiveness.

Orientation programme of BBM under IQAC was organized on December 3, 2021. Another orientation was conducted with DHSK College, Assam and Patkai Christian College, Nagaland under Vidya Vistar Scheme on December 1, 2021. Inter-college folk song singing competition was held in October 2021, entries were received from Delhi University, DHSK College, Assam and Patkai Christian College, Nagaland.

BBM in collaboration with IQAC and partner colleges, under Vidya Vistar Scheme of University of Delhi, celebrated National Youth Day on January 12, 2022. On 21 February 2022, Swami Vivekananda Jayanti. BBM, IQAC and partner college SGRR P.G College, Dehradun celebrated International Mother Language Day- Matribhasha Diwas. Activities included skit in different regional languages, regional songs, idiom quiz, address by Prof. Jaiwanti Dimri, Former Head, Department of English, Himachal Pradesh University, Shimla. International students from Nepal and Afghanistan spoke of shared civilizational ties in terms of language and culture.

BBM also launched ADD-ON courses on eight regional languages- Marathi, Odia, Urdu, Sanskrit, Punjabi, Tamil, Assamese and Bengali on 10-3-2022. All partner colleges were invited virtually for launch.

### 7.3.2 - Plan of action for the next academic year

The college is aligning itself to NEP. The college has envisioned its growth strategy through Institutional Quality Framework. Knowledge creation unit with a panel of distinguished experts will facilitate research and knowledge sharing. Young Research Forum plans to start one-year theme-based research projects by students.

Quality initiatives for staff training, promotions and monitoring would be strengthened through Internal Quality Assurance Cell(IQAC). Learner centric needs would be addressed and facilitated through efficient planning and resource sharing through Academic Improvement Initiatives Committee(AIIC). Academic and Administrative Audit through internal and external agencies would be carried out in next academic year. Creativity, Innovation and Entrepreneurship Cell would be further strengthened. Focus would also be on another core value of college - Social responsibility, which is becoming distinctive feature of institute through optimal utilization of Health and Wellness Centre, Parampara Ahaar Sewa, and Mera-Gaon - Gokul. In line with Indian Knowledge system, college will be promoting immunity boosting traditional Indian food in the campus. The focus on holistic health through yoga, meditation, and Panchgavya would be strengthened. There is a plan to build Hostel in campus for students. The process for approvals from various authorities has already been started.
