

GENERIC ELECTIVE (GE) OPTIONS FOR BA (HONS)/ B. COM.(HONS)/ B.SC(HONS)

The Generic Elective (GE) course is interdisciplinary in nature, distinctive or uncorrelated to the main honours subject. For example, a student enrolled in B.A. (Hons) History can choose as GE, any of the offered subjects other than her core subject History. All students of honours courses will have to study the GE course in both first and second year. In each semester of first as well as of second year, students are supposed to study *one* GE paper out of the list of papers given below offered by various departments.
